Introduction from the Executive Headteacher

Thank you for your interest in the post of Teacher of English. It is an exciting time to join Cockburn Multiacademy Trust as we continue to grow and develop. We have an excellent reputation in Leeds and beyond and are in a privileged position to be able to give considerable support to an increasing number of schools within the city of Leeds and across the region. As a National Leader of Education, I am keen to develop leaders for the future and Cockburn School's status as a National Support School ensures that there are increasing opportunities for both professional and career development for staff.

Our vision is an exciting, innovative and challenging one that will be at the heart of our schools, to create opportunities within and beyond the curriculum to enable each student to become confident, independent and successful citizens in modern Britain. In order to deliver our vision, we are looking to appoint colleagues who are dedicated and passionate about working with young people of all abilities and all backgrounds, you will be a reflective practitioner who not only shares our enthusiasm, aspirations and commitment but will make a difference, it is on these qualities that Cockburn MAT will continue to flourish.

I know that there is something unique about the schools in our MAT. Whilst they are at different stages of their journey of 'Transformation to Excellence' it is without doubt, the incredible staff teams that make the difference. We were very proud that Cockburn School was judged by Ofsted in February 2022 as Outstanding in all areas which is an excellent achievement. There are two other successful secondary schools within the Cockburn MAT, Cockburn John Charles Academy which became a Cockburn MAT school in 2017 and our free school, Cockburn Laurence Calvert Academy that opened in 2021. We also have two primary schools, Middleton primary and Cockburn Haigh Road Academy.

As Executive Headteacher, I am fortunate to work alongside such dedicated teams that are relentless in their determination to secure the very best outcomes for the young people. That is why we would rather make no appointment than appoint someone who is not committed to our journey of 'Transformation to Excellence'. For this reason, we try to articulate clearly our Vision, Values and Expectations when putting together information for applicants and we always give a lot of attention to appointing the right person.

We are looking to recruit a dynamic and inspirational member of staff to join and contribute to the continued development, growth and success of Cockburn MAT. We are looking for someone who:

- Is excited by their role and have the opportunity to work with young people from all different backgrounds and even those that are less-motivated and need that extra support and challenge to ensure they succeed
- Is eager to continually develop their own skills and grow as part of the Trust
- Knows that working in a school such as ours will be demanding but is able to be a part of the team
 and rise to the challenges, within a supportive environment and school team
- Works within the positive and caring ethos of our school and willing to go that 'extra mile' in order to get the very best from our students
- Makes the most of opportunities throughout the school day to get to know our students as we all know the building of personal relationships is the starting point for key to success for all of us
- Has a positive approach to behaviour management has a restorative approach to solving problems with students and the wider school community

This is a Trust with schools full of exciting challenges and often needs 110% commitment – but if you have this, then you will be working within a part of an exciting and committed team that challenges and supports each other to get the best for our students and each other!
