Brigshaw High School – Current Context

This is a 'snapshot' view of Brigshaw High School. We hope it will give you a flavour of our vision, values and some of our current priorities.

Brigshaw is a thriving, popular school, occupying a large, attractive campus between Kippax and Allerton Bywater. Pupils come to us from these two “villages”, as well as from Great and Little Preston, Swillington, Micklefield, Methley, Woodlesford, Garforth and the outer Leeds suburbs. About 25% attract Pupil Premium funding. There are currently 1393 pupils on roll, including 203 in the Sixth Form. Our planned admission limit is 240 per year and we are once again oversubscribed in Year 7 for 2020; enrolling 272. On September 1st 2016 we converted to Academy status alongside five of our partner primary schools as part of The Brigshaw Learning Partnership. Having worked together for several years as a very successful Trust, this conversion has been a natural progression. Our new status is helping attract additional school improvement resources and we are actively seeking further challenge and scrutiny for ourselves to help us raise achievement.

Pupil achievement and attainment remain at the heart of what we do. We are committed to maintaining a balanced curriculum offer and insist on consistently good teaching. Post-16 outcomes are still good and retention is high. The number of 16-18 leavers in education, employment and training is regularly one of the highest in the city. This reflects the excellent work done by our transition staff as well as the solid grounding our curriculum provides in preparation for life beyond Year 11. Most of our Year 13 leavers go on to their first choice universities, including Cambridge and Oxford. In autumn 2020 30% of our leavers began a degree in a Russell Group university.

We are a “resourced school” for pupils with physical disabilities and our excellent inclusive practices have meant that pupils with a very wide range of special and additional needs come to Brigshaw from further afield through parental preference. They believe their child will succeed and thrive here. We believe that our effectiveness as a school should be judged on the basis of how we support our most vulnerable children as much as our most able.

We have made significant improvement and progress without sacrificing Brigshaw's traditional qualities: all staff who work at Brigshaw are asked to commit to supporting students to “Be the Best you can Be”; because you matter. Caring for our pupils as individuals, and providing a supportive learning environment allows young people freedom to develop ‘Respect For Learning’, develop themselves as successful learners, and encourages them to explore opportunities beyond their immediate surroundings. We are fortunate to have superb facilities to support our children in this mission.

Our most recent Ofsted Report (June 2019) judged us as a good school. Ofsted noted:

“There’s something really special here” HMI Ofsted

- Highly effective leadership... all highly ambitious for staff and pupils
- Resolutely committed and determined to embed a ‘**culture of excellence**’ across the school.
- Pupils are “proud... of their school and ... appreciate the recent changes”.
- Pupils’ attitudes to learning are strong... they actively participate in and support their peers with their learning.
- Governors and trustees know the school well... they are realistic and reflective...they are extremely effective in their roles.
- Parents and carers are supportive.
- Sixth-form leadership is a strength of the school and, consequently, the sixth form is good.

However, we are not complacent. We believe that pupils can make faster progress. There is still more we can do to further raise attainment. Current priorities in our School Improvement Plan are centred on raising achievement at all levels and ensuring all students are stretched; developing improved outcomes through our Vertical Tutoring and House System; and developing and consolidating partnerships. Under-pinning these objectives is an over-arching commitment to personalising learning and encouraging student leadership and parent/carer engagement at all levels of our work.

We are also keen to support other ways of helping children and young people learn and develop. We are committed to looking outwards and actively seek international perspectives. We have strong links with schools in many countries including Holland, Poland, Latvia, Czech Republic, China, Japan France, Germany and Spain. For the London Olympics we held our own student-led Olympic event, hosting over 200 international visitors from ten countries. The last few years have built on this legacy in a variety of ways with a range of countries and events.

Much of Brigshaw's success comes from the strong partnerships we belong to. As mentioned above, Brigshaw is part of the Brigshaw Learning Partnership. This multi-academy trust aims to support the whole community in achieving excellence for all of our young people. The work of the trust is enriching our work in many ways, from developing shared approaches to teaching and learning, to supporting vulnerable children, to developing creativity and leadership in our schools.

For a number of years we have worked closely with our partner school, Temple Moor High School, to develop shared post-16 provision, which has led to improved choice and higher levels of recruitment, retention and performance. Our senior school leaders have played key leadership roles at an area and city-wide level, and Brigshaw has been involved in a number of regional and national projects.

Brigshaw has undergone a number of quite profound changes during the past few years - building a 'learning culture', changes in the curriculum and timetable structure, and most recently in our conversion to an academy as part of a multi academy trust. The debate surrounding these developments has always been conducted in a constructive, congenial atmosphere, typifying the good personal relationships in the school. Brigshaw is a friendly, welcoming place in which to work and to learn. Staff work very hard, and co-operatively, to provide a stimulating and successful learning environment.

We agree with Ofsted that ours is a good school with outstanding features and still has much scope for improvement. We also believe that it is a unique and exceptional place to work, to learn, and to grow, and that to be associated with Brigshaw as a pupil, a parent, carer, a colleague, a governor, or as a member of our community is a very great privilege indeed.

The Brigshaw Learning Partnership and Brigshaw High School is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. The post is subject to a successful DBS clearance and pre-employment checks will be undertaken before an appointment is confirmed.

ENGLISH AT BRIGSHAW

“English is outstanding...Subject leaders and teachers are passionate, committed and hard-working”. (Ofsted Subject Inspection 2011)

The English department at Brigshaw is one of the core strengths of the school and has been identified as such by Ofsted in our last two full school inspection reports. Indeed, in their last subject survey inspection in May 2011, Ofsted rated student achievement and the overall effectiveness of the English department as being ‘outstanding’. Results have been consistently in line with or above the national average at Key Stages 4 and 5 and also judged ‘significantly high’ in terms of value added progress. In the last examined outcomes of 2019, the English department demonstrated rapidly improving outcomes and secured a strong, positive Progress 8 score in line with the national average for Language and above national average for English Literature. We currently have over 40 students in the Sixth Form who study either English Literature or English Language at A level. The results at Post-16 in recent years have consistently been good.

Staffing:

The English team currently consists of eight full-time and three part-time specialist English teachers many of whom have been part of the team for many years and trained with us. The emphasis has always been on teaching and learning and this is a genuinely self-reflecting team who always seek to improve the way they can encourage pupils to work more independently and think more deeply. The whole team works with common schemes of work in Years 7 – 11 which are often written and evaluated collaboratively. We welcome creative input into these schemes and suggestions for new ones, but like to ensure we all work to the same schemes as this enables clear progression lines for pupils and easy reference points for teachers. We find it also enables teachers to focus on adapting each lesson to suit their individual classes as we teach mixed-ability groups at KS3. KS4 is taught in ability sets with 4 groups on each side of the year, moving to 5 sets on each side from September 2021. At A level, we harness teacher specialisms and enthusiasms, whilst also working to train up staff and provide them with experience of teaching the different elements of our A Level courses.

We work collaboratively with our colleagues in the Media department; alongside a full time Media specialist, three of our English teachers also teach GSCE or A Level Media. The Media department’s A level results in 2019 saw 50% of the cohort achieve A-B and the outcomes overall are rapidly improving.

Facilities:

The English department is based in our spacious Silkstone Building, and the majority of teachers have their own teaching room, well equipped with resources, mini whiteboards, a visualiser and an interactive whiteboard. We work collaboratively with a number of other departments in school. We are a large team with a range of different talents, expertise and interests which we are looking forward to sharing with the successful candidate.

Curriculum:

KS3: Broadening

At KS3, we pride ourselves on our content rich curriculum, aimed at providing our students with the ability to explore texts from across the Literary Canon, as well as relatable modern fiction. In Year 7, students undertake a chronological journey across the development of Literary English and this is widened and developed in Year 8 and 9. We also offer students the ability to explore the English Language as a vital tool for communication, reflecting on its uses and developments over time. The goal is to immerse them in a range of genres, themes and cultures, broadening their horizons and allowing them to understand and explore the world around them.

KS4: Deepening

At KS4, we offer a curriculum that teaches beyond what is merely required for the exams, strengthening their skills and deepening their understanding of how English is relatable to them, now and beyond. Our curriculum model is built around a process of interleaving topics and linking texts thematically to create a cohesive journey across the two years of study. Our yearly cycles are designed to spiral our students' learning, aiding the improvement of knowledge retention and recall, building student confidence, and providing a clear and consistent routine to lessons. Students in KS4 study both Language and Literature. Our key texts are 'Animal Farm,' 'Macbeth' and 'Jekyll and Hyde' as well as the AQA Power and Conflict cluster, and we find these choices allow them to see the thematic links, tracking and building upon their understanding of context and concepts. Writing is taught through 'workshop style' sessions to promote a love of writing and not writing simply 'for an exam.'

KS5: Specialising

At KS5, our Literary and Linguistic curriculum focuses on nurturing our students' passions for the further study of English. We aim to develop breadth and depth within specific genres, topics or approaches, in order to allow students to foster an evaluative and critical approach to exploring texts and writers' purpose. Drawing upon the subject specialisms of our staff, we provide our students with the key to unlock their enquiring minds and cultivate their own passions and enthusiasms. At advanced level we follow AQA Specification B both Language and Literature A Level qualifications. Both of these are successful and popular choices for pupils.

The successful candidate will be expected to teach across the age and ability range.

The English department has a long record of providing excellent CPD and is a place where teachers can develop and contribute. This is an exciting opportunity to join an innovative, enthusiastic and highly successful team.
