Teacher of English and Media
MPS/UPS with TLR available for the right candidate

This person specification describes the skills, abilities and experience that we think are needed to do the job successfully. You should think about these carefully when writing the supporting statement part of your application form. We use the person specification as a benchmark against which we assess all candidates.

We will shortlist only those applicants who demonstrate in their application that they meet the criteria set out in the person specification. You should therefore make sure that your supporting statement demonstrates how your previous experience, skills, qualifications and abilities match all those on the person specification.

You may find it helpful to list each of the person specification criteria as a separate heading and explain how you meet that criterion. When outlining your skills and abilities, try to give examples of your successes and achievements.
