Headteacher's Welcome

Welcome to Lea Valley Academy, a school where aspiration, achievement and belonging are at the heart of everything we do.

As the newly appointed Headteacher, I feel incredibly privileged to lead this exceptional school community. Having worked at Lea Valley Academy for the past five years, and with nearly thirty years of experience in education, I have developed a deep appreciation for the unique strengths of our academy and the tremendous potential of our young people. At Lea Valley Academy, we are committed to providing a dynamic and supportive learning environment that fosters academic excellence, personal growth and social responsibility. Our school culture is built on mutual respect, inclusivity and collaboration, creating a safe and welcoming atmosphere where every student can thrive.

All members of our community are guided by the core values of our Academy: **Aspiration, Innovation and Respect**. These values underpin everything that we do and shape our vision for the future. We believe that every student has unique strengths and talents, and our dedicated team of educators works tirelessly to nurture these qualities, encourage curiosity and inspire a lifelong love of learning.

We are proud to offer a rich and ambitious curriculum that both challenges and engages our students, preparing them for the opportunities and challenges of an ever-changing world. Alongside academic success, we are committed to developing confident, compassionate and resilient young people who are equipped to make a positive contribution to society.

Our academy is much more than a place of learning. It is a vibrant and diverse community where students feel valued, supported and respected. Strong relationships between students, staff and families are central to our success, and together we create an environment where everyone can flourish.

We are also fortunate to benefit from excellent facilities that support a wide range of academic, sporting and creative opportunities. As Headteacher, I am immensely proud of our school community and inspired each day by the dedication of our staff, the enthusiasm of our students and the support of our families. Whilst we celebrate our many achievements, we remain ambitious for the future and committed to ensuring that every young person fulfils their potential.

Together, we aspire to develop an atmosphere where all our students are valued and supported as individuals, enabling them to grow into independent and confident learners.

Staff Testimonial #1

In 2017, I commenced my Teach First training placement at Lea Valley Academy, driven by a belief that all young people deserve access to a high-quality education and a brighter future.

Throughout my time here, I have relished the opportunity to develop my practice by learning from experienced colleagues, while also being entrusted with leadership roles. As an ECT, I was given responsibility for a reading strategy and enjoyed leading a small team to implement weekly reading lessons for KS3 students. Following the success of this initiative, I was appointed Head of English and now take great pride in leading a team of passionate, driven teachers, collaborating on a shared vision to improve life chances for our learners.

What I love most about LVA is its diversity, which allows us all to learn from one another. The inclusivity and celebration of each individual's uniqueness truly make LVA a special place to be.

I feel fortunate to continue growing here, with plans to start my NPQSL in the spring term, as I remain committed to helping our young people succeed.

Staff Testimonial #2

Having been at LVA since 2005 I have had a number of roles which have enabled me to work in both pastoral and curriculum pathways. I have seen over the years the tremendous energy and enthusiasm the staff possess which has transferred to positive outcomes for students.

Whilst at LVA I have also had the opportunity to be a LVA parent as my own child attended the school and stayed on at 6th form and like many others left having achieved their desired grades.

I have personally stayed at LVA as we have a strong community, and it has been a pleasure coming into work everyday.

As it is coming to nearly 20 years as a staff member, I look forward to continuing and making a positive contribution.

Staff Testimonial #3

I only started at LVA recently and whilst it can be, like any school, at times challenging it's also rewarding. I have quickly built bonds with staff outside my department, taken on a club responsibility and look forward to seeing my progression here.

The school prioritises teacher wellbeing at the highest levels, we have an amazing timetable. Professional development is necessary and informed. Inset time is given to both development and preparation appropriately and these small things just make it much easier to have work life balance.

Being a teacher will never be an easy job, but I am proud to be a teacher at Lea Valley Academy

Staff Testimonial #4

I started working at LVA in March 2024 and it has been a great journey so far. Lea Valley Academy provides a dynamic and diverse working environment empowering the next generation to achieve their very best.

I work in the office as an SLT/SENCO Administrator, and I can confidently say that no two days are the same. I have thoroughly enjoyed working with an amazing team, the staff are very lovely and supportive, and they really care about each other and the students!

I love that staff well-being is recognised, and I love that students are supported and nurtured. I look forward to continuing to learn in this challenging yet rewarding and vibrant environment. It has been an absolute pleasure being part of the Lea Valley community and I hope to progress within the school in the near future.
