Welcome from the Headteacher

Wyvern St Edmund's
Academy

Dear Prospective Applicant,

Welcome to Wyvern St Edmund's Academy (WSE). As Headteacher, I am immensely proud to lead the school and serve its community of students, staff and parents/carers. WSE is a founding member of the Magna Learning Partnership, situated on the eastern outskirts of Salisbury with beautiful views over the Laverstock Downs to the east and Salisbury Cathedral to the southwest. We are proud of our reputation for high-quality teaching, excellent academic outcomes for our students and strong, effective pastoral care.

In September 2022 we legally opened as Wyvern St Edmund's Academy, enabling us to take full advantage of the benefits associated with inclusive coeducational learning and social development. Wyvern College and St Edmund's School were formally two separate schools, just a few yards apart: Wyvern for boys and St Edmund's for girls. Over the past 15 years the schools have worked closely together, sharing: expertise, staffing resources and mixed GCSE classes.

We have a tremendous team of support staff, teachers and teaching assistants - some of the most talented professionals I have ever worked with - all of whom are proud to work at WSE and passionate about educating, supporting and nurturing our young people. Our collective vision of helping each student to develop into the best version of themselves is at the heart of everything we do and motivates us to provide impactful teaching, comprehensive pastoral care and extensive extra-curricular provision. Moreover, our vision is rooted in Christian beliefs and values whereby we expect our students to use their developing gifts, talents and character to serve others in the local community and beyond (1 Peter 4:10).

Being a vibrant, happy and forward-looking school, WSE is without doubt a great place to teach. Our parents and carers are hugely supportive of the school and we pride ourselves on forming strong and effective partnerships with young people and their families: we work collaboratively throughout any challenges and rejoice in the many successes which come from being part of a wonderful school.

New staff joining the school can be assured of a warm, supportive environment along with excellent professional opportunities for all staff and a strong sense of shared vision and ethos: we help our students to become the best version of themselves in order to serve others. We want all of our students to use their gifts and talents to serve other people well. We are very proud of our caring Christian ethos that runs through every aspect of school life.

We have a close and positive relationship with Salisbury Sixth Form College (S6C) which is a short drive away from WSE. Our partnership with the college means that there are opportunities to work collaboratively with KS5 students and teachers.

I look forward to meeting you so that you can see for yourself just how great Wyvern St Edmund's is.

Yours sincerely

Mrs L Henderson
Headteacher

Why work at WSE?

Wyvern St Edmund's
Academy

We are committed to a staff culture where people feel well-supported, professionally engaged, challenged and valued. In turn, this culture enables our students to become the best versions of themselves because they are nurtured and inspired by a committed, happy staff team. We are very proud of the progress that students make here at WSE. We are committed to a process of constant school improvement so that our students are afforded every opportunity.

Staff wellbeing is at the heart of our vision and all staff, as our most important resource, are to be valued, supported and encouraged to develop personally and professionally within a vibrant, empathetic and caring community.

There are some additional perks that we are able to offer such as private healthcare, reduced corporate gym membership, free car-parking and the Wiltshire Rewards cashback programme, which staff really appreciate. Staff also benefit from our commitment to professional development and, in working as part of a multi-academy trust with four secondary schools, groups of subject leaders and teachers are able to meet regularly to share ideas, schemes of work and to moderate together.

Ofsted

The February 2018 Ofsted inspection recognised our 'relentless drive to raise standards' and praised the 'clarity of vision' and 'inspiring' ideas that we have.

In January 2020, Ofsted also observed that 'the move to combine Wyvern College with St Edmund's School has widened the curriculum available to students. An effectively planned curriculum means that students are learning well and students feel well cared for and know that there is always someone to whom they can go if they have a problem.'

The English Department

English Mission Statement

The English department is enthusiastic, forward thinking and supportive. We work closely together to share good practice, develop high quality lesson resources and explore innovative ideas.

Members of the department regularly participate in subject-specific CPD – through reading books or articles, attending online sessions and regional or national TeachMeets – to broaden their subject knowledge and understanding of research-informed pedagogical approaches so that we can be confident we are maximising students' progress in lessons.

We believe that a students' success in English is key to their future; we deliver a challenging curriculum which blends an appreciation of the literary canon with opportunities to explore contemporary issues. We empower students to develop their vocabulary and oracy skills so that they can comprehend and express complex ideas; students are encouraged to have a growth mindset so that they see mistakes as part of the learning process.

We have a well-equipped school library and a fantastic and knowledgeable librarian; the English department is passionate about reading and inspiring that same passion within our students through a tutor time reading programme, literary events and author visits throughout the year. This provides students with the cultural capital, knowledge and skills needed to navigate society and their future with confidence.

Whilst we have developed core lesson resources to support our schemes of learning, we understand the importance of differentiating to extend the most able and supporting students with appropriate scaffolding to enable all students to participate and flourish in our mixed-ability classes.

Being able to respond to the learning that happens in our lessons is essential to ensuring students succeed. We use a variety of assessment and feedback tools designed to minimise teacher workload and maximise the impact on students' learning and progress. For example, we complete termly knowledge quizzes to check student's retention of ideas and knowledge from their current and previous years' study.

Key Stage 3

Our Key Stage 3 curriculum follows a chronological path through Literature, ranging from Greek myths and The Odyssey in Year 7 to exploring a range of Dystopian literature in Year 9. Schemes of work are planned to integrate a range of skills, including writing for different purposes, and we pair thematically linked fiction and non-fiction from a range of different authors and genres with our core texts to ensure students are exposed to a rich diversity of ideas and concepts.

Key Stage 4

At Key Stage 4, all pupils follow the AQA GCSE course for both English Language and Literature. We currently teach Macbeth, An Inspector Calls, A Christmas Carol and the Power and Conflict poetry.

The department is driven to support students to achieve results that will make a real difference in their lives; strong, positive working relationships with students are central to enabling them to achieve to their full potential. We currently have nine teachers within the English Department. If you want to work in a supportive team, in a school with fantastic staff and wonderful students, then this vacancy is one you should definitely apply for! We hope to hear from you soon.
