An introduction to Pioneer Educational Trust

Welcome to Pioneer Educational Trust. As CEO, I am proud to lead our family of schools and would like here to provide you with a short history of our organisation, our school improvement model and our ambitions for the future.

Our journey

Pioneer Educational Trust is a small multi-academy trust in Berkshire serving children and young people aged 3 to 18.

Pioneer Educational Trust (then Upton Court Educational Trust) was first established in January 2014 when Upton Court Grammar School in Slough sponsored Foxborough Primary School. Foxborough Primary School had, in June 2013, been put in special measures by Ofsted. In November 2016, Trevelyan Middle School joined our MAT. Following a school improvement journey in both schools Foxborough Primary School was judged as a Good school by Ofsted in May 2019 and Trevelyan Middle School judged Good with Outstanding for Behaviour and Attitudes and Personal Development in October 2019 following twenty years of Requires Improvement judgements. Upton Court Grammar School continues to be an 'outstanding' school delivering an education that places its outcomes in the top schools in the country. In April 2023, Desborough College, a boys' school in Maidenhead, joined our family of schools.

We are incredibly proud of our schools' achievements and the strong relationships that exist between them.

"Trustees of the multi-academy trust (MAT) have a clear vision for the school. They work closely with governors and leaders to ensure that teachers' workload is manageable. Leaders enable subject leaders and teachers to work with others from across the trust to develop expertise. The chief executive officers of the MAT support leaders well to ensure that high standards are maintained." (Ofsted report, Nov 2019, Trevelyan Middle School)

"The MAT has played an instrumental role in supporting the school's improvement. The MAT has also wisely given the well-being and professional development of staff a high priority. This has helped to stabilise staffing after a period of some turbulence. Collaborative working with other schools within the MAT, and the provision of high-quality professional training and support, have led to sustained improvement." (Ofsted report, May 2019, Foxborough Primary School)

Who are we?

We are a values-led, evidence-informed organisation that acts in line with our commitment to provide all pupils with equal access to an exceptional education. Consciously liberating through the power of education and celebrating diversity informs all that we do - our schools are diverse learning communities with their own unique contexts and needs, which we celebrate and draw strength from.

Right mission, right vision, right values

Mission

We invest intelligently, inspire collaboration and pioneer so that all learners in our family of schools have equal access to an exceptional education that consciously liberates.

Vision

Exceptional education for all

Every school within Pioneer Educational Trust will provide an exceptional education to all children and young people. This means preparing children and young people to thrive at intrapersonal, interpersonal, societal and global levels. Through an exceptional curriculum, strong pastoral systems and meaningful personal development, our learners' experience will be relational, empowering and consciously liberating.

Employer of choice

Pioneer will continue to be the employer of choice as a result of its commitment to professional development for all colleagues, a positive and enriching working environment and outstanding leadership development opportunities underpinned by the dynamics of Pioneering Leadership. Coupled with a systematic approach to school improvement, the trust will provide an enabling environment that supports and challenges all to flourish and be fulfilled.

Leading ethically in service to others

Our community will be knowledgeable and empowered taking principled action in service to others. As such, we will continue to lead ethically demonstrating a commitment to outward-facing work with our local, national and international educational communities.

Values

- pioneer
- inspire collaboration
- invest intelligently
- consciously liberate

Pioneer seeks to shape the educational landscape and is unapologetic in promoting its core aims widely.

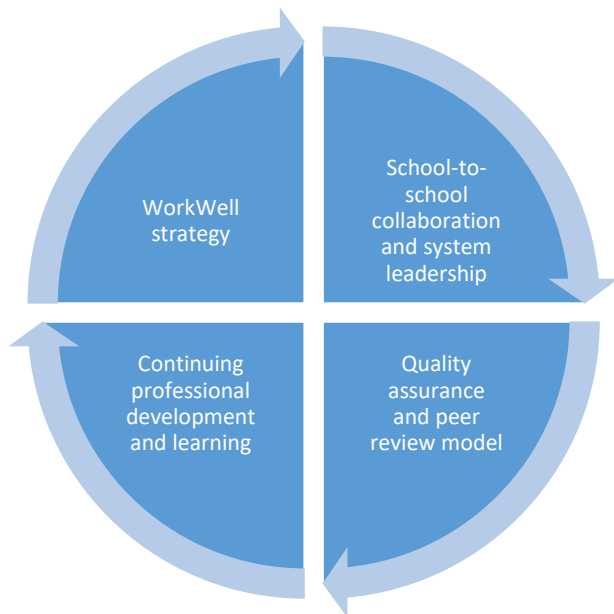

Our 'three peaks'

Pioneer Educational Trust has three strategic priorities to deliver our commitment to Pioneer Quality (a high quality and inclusive education for all), Pioneer Community (cultural and structural integration of schools founded on a model of co-construction and evolution) and Pioneer Impact (growth and knowledge exchange within and beyond our family of schools).

Investing intelligently

We invest in our workforce so that, in turn, the workforce invests in our learners. We seek to add value, not just act as another layer of monitoring and accountability. As such, our school improvement model is underpinned by a commitment to: inspire collaboration within, between and beyond its schools; provide exceptional system leadership; and, deliver wide-ranging, high-quality professional development opportunities that enable all colleagues to grow professionally and personally. Our systems for monitoring and accountability are both humane and robust; they ensure that high standards are set and maintained, and treat professionals as professionals. We adopt a coaching 'way of being' and apply the principles of vertical leadership development through our policies, procedures and practices.

Our school improvement model is based on four facets:

- Our **pioneering model for excellence in CPDL** is underpinned by the Trust's four values Providing excellent CPDL is at the heart of our school improvement model and we aim to provide personalised, meaningful, high-quality growth opportunities for all.
- Pioneer's **10 WorkWell Pledges** seek to reduce unnecessary workload and promote staff wellbeing. We believe in treating our colleagues as professional adults who are encouraged to make positive choices in identifying how to manage their workload, how to achieve work-life balance and how to support their own wellbeing.
- Pioneer believes firmly in the power of collaboration and partnership working enabling all colleagues to contribute meaningfully to school improvement. Our approach to school-to-school collaboration and system leadership enables engage to work constructively and productively in partnership with one another and drive school improvement in all its guises.
- Pioneer sees itself as providing more than just another layer of accountability. Our systems for quality assurance and peer review are both humane and robust, ensuring that high standards are set and maintained and that professionals are treated as professionals.

Continuing professional development

Pioneer Educational Trust aims to be the employer of choice as a result of its commitment to professional development for all staff, a positive and enriching working environment and outstanding leadership development opportunities. We invest heavily in professional development for all colleagues and seek to provide the 'proper conditions' through which 'unimagined resources of creative human energy'¹ can be released strengthening the culture of self-responsibility². Key components of our CPDL model include:

- Our **appraisal** policy that provides a lynchpin to other structures and systems, including our QA / QI model, programme of CPDL, etc. Through rebalancing appraisal on development rather than accountability and applying a coaching approach, we create a deliberately developmental organization in which all can thrive.
- **CPDL Wednesday**. From September 2019, the school day at all Pioneer schools was changed to finish one hour early each Wednesday providing departments and teams with increased opportunity for collaboration and professional development.
- **QI entitlement**. Our QA system is complemented by personalised and bespoke development opportunities for every member of staff including an 'entitlement' to Quality Improvement the purpose of which is to provide teachers, TAs and HLTAs with the opportunity to engage in coaching, reflect on and debate the ways they teach, and feel deeply involved in their own professional learning.

What we offer

Pioneer Educational Trust provides a number of operational services to each of our academies. Managed centrally by our Central Team, these services are designed to help ensure the smooth running and operation of each of our academies. These services include Estates, Health & Safety, Finance, IT and HR. Centralising core operational functions allows the leaders in our academies to focus on the teaching and learning environment, all the while knowing that there is team of specialists on hand to support and lead with the 'back-office' functions. Sharing these services across our Trust provides financial security for our schools and while the CFO has the overview of all financial matters and is expected to provide savings through procurement, income generation and efficiency, at local level, schools still make decisions about how they spend their own budget.

Where next?

This is an incredibly exciting time to be joining our trust! We know that there is unimagined resources of creative human energy in our schools and are, therefore, focused on creating the conditions for this to be released. This means embedding a culture which:

¹ Douglas McGregor, 'The Human Side of Enterprise', Leadership and Motivation, Essays of Douglas McGregor, 2, no.1 (1966), pp.6-15

² John Campbell and Christian van Nieuwerburgh, The Leader's Guide to Coaching in Schools: Creating Conditions for Effective Learning, (London: SAGE Publications Ltd., 2018).

- creates opportunities for collaborative ‘big conversations’ that continually **evolve** our approach so as to change society;
- is **cohesively diverse** – a culture in which all schools are equal partners and appreciates and celebrates diversity;
- is **strategically developmental** empowering the individual by creating the conditions for individuals to enact their personal agency unleashing their full potential ;
- **drives excellence** by trusting colleagues as professionals and effectively balances accountability and developmental .

As a trust, we have courage to question and organise for complexity. We are passionate, restless and innovative embracing heat experiences, colliding perspectives and opportunities for elevated sensemaking.

If you believe in driving equality, usualising diversity and championing inclusion, if you want to challenge socio-economic disadvantage and make a lasting difference to our community, if you believe in the power of collaboration and seek to invest in your own and other’s continuing professional growth, then Pioneer Educational Trust may very well be the trust for you.

Antonia Spinks
Chief Executive Officer
Pioneer Educational Trust

Dear Colleague

Thank you for your interest in working at Trevelyan Middle School, which is part of Pioneer Educational Trust. This is an exciting opportunity for a forward thinking, energetic and committed practitioner who will be part of the team that continues to move the school forward.

It is our mission to create a positive atmosphere and culture in which everyone in the school community can develop and excel. We are committed to excellence and personal enrichment as much as to the fulfilment of every learner's potential which will enable them to face future challenges with confidence.

The Trust is a vibrant and exciting learning community and we have an excellent working partnership between staff, learners and parents. Together we believe it is our job to unleash the huge potential among the pupils and enable all our young people to become successful and responsible citizens, resilient, resourceful and creative thinkers who are confident and happy.

We are committed to a school that is:

- a place of excellence where children can achieve full potential in their academic, creative, personal, physical, moral and spiritual development;
- a caring place where children and adults feel they make a contribution and are valued as individuals;
- a place of values where children learn respect for themselves and others;
- engendering partnerships between children, parents, staff and governors and the community as a whole.

Trevelyan Middle School provides a warm and friendly atmosphere, offering a springboard for personal development and achievement.

Our aim is to ensure that every pupil is challenged, stimulated and encouraged to make the most of every opportunity. We achieve through our team of enthusiastic and dedicated staff who deliver a varied curriculum as well as plentiful extra-curricular opportunities.

We offer a unique blend of skills and knowledge by planning activities which address children's learning styles through high quality teaching and interaction.

We aim to recruit staff who:

- are excited by their role and by the prospect of working with young people;
- love the processes of learning and teaching and are keen to continually develop their own skills;
- recognise that teaching can be a demanding job but react positively to those demands remaining positive and focussed;
- will subscribe to the ethos of the Trust and 'go the extra mile' in terms of time and commitment to get the very best from our young people;
- relish the opportunity to engage and talk to children outside of the formal classroom environment;
- are quick to praise and slow to criticise; and

- are not afraid to admit to seeing themselves as potential leaders of the future.

I am conscious that this may be your first contact with our Trust and first impressions are very important. I hope what you read, coupled with anything else you discover about us, inspires you to apply for this post and to be part of a committed team of staff.

We will make the most of our unique family of schools to give every child the best possible opportunity to flourish and develop into a decent, disciplined, well-educated and employable young person.

Developing decent people:

Results and qualifications are important, but they are not the whole story. Our ultimate goal is to develop well-rounded young people who will make the most of the opportunities open to them in our schools. They will have resilience, zest and passion: people that employers will want to employ; people who will play a part in the communities in which they live and work; people we can be truly proud to say came through one of our schools.

Achieving full potential, no excuses:

We will do all we can to make sure every child gets the chance to reach their full potential. No child should ever get left behind; all have the capacity to learn and to achieve. We will do this by instilling an acceptance that hard work, effort and application really does pay off and are rewarded. And through effort and application come self-respect, self-esteem, self-belief and success.

Discipline and standards:

It is important to us that our young people demonstrate high standards and that our schools are safe, structured places in which to learn as this will enable inspiring things to happen in the classroom. We will achieve this by expressing our high expectations regularly and frequently and by paying relentless attention to detail. We attach importance to values such as respect: for ourselves, for others, for learning and for the environment.

Great Schools for All:

We want the schools within our Academy Trust to be judged as great schools for all the young people that attend them. This means recruiting outstanding people to work in our schools and offering a curriculum that is engaging, challenging and responsive to individual needs.

Big on Attitude:

We will frequently stand back and reflect on how we can do things differently and better. This means being open-minded about trying new ideas; it means acknowledging mistakes but seeing them as an experience from which to learn; it means being aware of what happens beyond our schools so that we can predict future trends and remain in control of our destiny.

Strength in Numbers:

Each of our schools is different. Each serves its own community; each has its own history. But at the heart of all our schools is a strength brought about by working together within a multi-academy trust enabling shared resources, shared knowledge, shared experience and shared success. We never forget that as a Trust we are in the unique position of seeing through a child's education from the start, to the first words they read and write, right through to the time when they secure their first job or acceptance into higher education.

We are privileged and look forward to welcoming to the team staff who share our vision and high aspirations for our children, their families and the communities we serve.

Trevelyan is a safe, happy and inclusive school based around our key values of ENRICH – Encouraging, Nurturing, Respectful, Inspiring, Creative & Happy.

Our mission statement is: *Inspire and I will follow, make learning fun and I will enjoy, encourage and I will succeed, being respectful of others and things around me will make us happy, nurture and the future is bright.*

If you share these values and feel you can meet the needs of all of our pupils without limitation, I look forward to receiving and reading your application.

Yours sincerely,

Head of School

WELCOME TO ENGLISH AT TREVELYAN MIDDLE SCHOOL

Overview

Within Trevelyan, we have a passionate department committed to ensuring all children achieve their full potential. We are equally dedicated to the continuous development of an innovative, creative and relevant curriculum in line with our Pioneering Pedagogy.

We are a department of five teachers, including a Head of English and a Second in Charge, supported by a specialist Learning Support Assistant. Together, we deliver six lessons per week for our Key Stage 2 pupils, including a discrete lesson focusing on Spelling, Punctuation and Grammar (SPaG). We then deliver four lessons per week for our Key Stage 3 pupils. All classes receive homework once a week, including a spelling list and a SPaG application activity. We also run a range of literacy-based interventions, including a lunchtime English clinic for those requiring extra support. All our English teaching is underpinned by our aim to cultivate a culture of reading for pleasure; our Accelerated Reader scheme is just one of the ways by which we are working towards this goal.

Vision

As a department, our shared goal is to deliver outstanding teaching and learning. To achieve this, we are constantly developing extensively resourced units of work, with differentiated and personalised learning resources in place. However, teachers are free to develop their own lesson ideas within our units of work and risk taking is encouraged and celebrated. We have a strong sense of team spirit and regularly engage in shared planning and peer observation through our TMS Quality Improvement.

We champion the belief that every child should achieve their full potential, regardless of their background, learning needs and starting points. Data collated from termly assessments is used to identify groups and individuals requiring extra support or greater challenge across the year. We are a Partners in Excellence school (PiXL) which we utilise to assist our Key Stage 2 students' success within their KS2 SATS Examinations for both Reading as well as Spelling, Punctuation and Grammar. For Writing, we are invested in the local borough's endorsed Pobble platform which allows for moderation across our neighbouring middle schools as well as across the trust.

Equally important to us, however, is the pupils' enjoyment of their English provision. We are continuously redeveloping our curriculum map based on pupil voice, as well as updated national guidance. As a result, we have a highly innovative curriculum that combines an ambitious absorption of literature, such as Chaucer and Orwell, with highly topical content. Our curriculum is taught in short, pacy units of varying length to pique our pupils' interest and maintain enthusiasm. All units combined offer a plethora of reading and writing opportunities together with spoken language and the development of a child's social, moral, spiritual and cultural (SMSC) skills.

Our ongoing priority from the previous academic year is to keep our curriculum relevant and meaningful, with a particular focus on under-represented and marginalised groups within the local and global community. We are at a very exciting time in our curriculum development, where we are working hard to

ensure a broad and balanced variety of texts and authors are represented within the teaching of English at Trevelyan. We strongly feel that every child should be able to see themselves mirrored in literature, as well as 'look through the window' into a culture or way of life that is different to their own. This, we believe, will not only empower our pupils, but also develop empathy, a much-needed skill for a diverse and ever-changing world.

Outcomes

Our pupils make significant progress from their baseline in Year 5, especially in writing. At the end of Key Stage 2 statutory assessments, pupils achieve above the national average in reading and writing. Our combined score, together with mathematics, is significantly above the national average due to our principle of leaving no child behind.

Our pupils continue to make strong progress throughout Key Stage 3, where they take a 'transfer test' at the end of Year 8. We consider our Year 8 pupils to be 'Key Stage 4' ready at the point they leave and we consult termly with our Upper School English Leaders to ensure consistency.

We are very proud to say that through pupil voice conversations, it is evident that Trevelyan children greatly enjoy their English lessons. Pupils are motivated and challenged; behaviour is therefore positive.

Support and Opportunities

If you join us, you will be joining a highly supportive and collaborative environment. We are a team of experienced professionals from primary and secondary backgrounds. With this in mind, we would be open to an individual of any experience. If you are an ECT, we have a proven track-record of delivering on both ECT (previously NQT) and Aspiring Leaders' programmes.

Whatever your experience, we are happy to provide tailor-made support in any area you may feel where it is needed; this might be with a particular Key Stage if you are joining us from a secondary or primary school. Furthermore, we are also continuously open to fresh ideas and are looking for people who will bring their own experiences and new suggestions. As a team, we play an active role across the whole school in developing cross-curricular writing. This would be just one area where you might play an important role.

We look forward to receiving your application and are available for any questions you may have prior to applying.
