”

Belvidere School serves the local community on the East side of Shrewsbury, County Town of Shropshire. We have a truly comprehensive intake, and almost all of our students walk to school. There are approximately 840 students on roll.

Belvidere School is situated in the historic town of Shrewsbury, in the beautiful county of Shropshire, a short distance from the Welsh border, but with excellent motorway and rail links to the West Midlands and beyond.

We are very much a school of choice with local parents, and the school has been oversubscribed for many years.

“ Sincere thanks for all that the school and individual people have done to make both my daughters' school lives mostly joyful, eternally memorable and shaping both their minds and futures in ways we can all only begin to guess at, especially this year with respect for all that you have done for them. Thank you, thank you, thank you.” Parent

We have a clear commitment to the continuing professional development of all staff. Throughout the year, teaching staff are invited to select from a variety of CPD sessions, closely

linked with our Appraisal procedures, and the requests of individuals. This enables colleagues from different subject areas to work closely together on areas of identified need. We recognise that we have a range of experience and expertise within the staff and therefore the sessions are delivered by a variety of different people, sharing good practice throughout the school.

We are very proud of our school, and hope you will feel inspired to want to join our success story. We also have the exciting prospect of moving into a completely new school building in the coming months .

“Thank you for your support as a school. I know my children are in a good place in Belvidere and both doing well and that you are working hard as a school to meet all the year groups provision academically and pastorally. Well done to your staff for their hard work and dedication.”

English Department

Our English Department was recognised by Ofsted as a creative, hard-working and forward-thinking contributor to the school's successes.

There are currently eight permanently employed members of the department, and the successful applicant will join a committed, reflective and hard-working team. All members of the department teach English to GCSE and the person appointed will need to teach groups in Years 10 and 11.

In GCSE we deliver the AQA specification for Language and Literature.

Pupils' achievement at KS3 and KS4 has been above expected levels and the Department has embraced the challenges of teaching the more rigorous GCSE syllabus. All sets are currently entered for both English Language

and Literature.

The Department works hard to keep ahead of the many changes facing the English Curriculum and we embrace those challenges head on. We are currently embedding the specific skills demanded by the GCSE specification into our newly-designed Key Stage 3 curriculum.

Schemes of work are under scrutiny all the time and opportunities for making the writing and reading process relevant and engaging for our pupils, is always at the forefront of our thinking and planning. We regularly seek the views of our pupils and implement their feedback into our curriculum planning.

There is a whole school approach to intervention and reading activities have also

been embedded into tutor time activities in order to boost overall standards across all abilities. Technology plays an important role in this and the Department has its own suite of 30 laptops. Each classroom has an interactive whiteboard and a range of software products have been acquired for us to share.

This is an exciting time for the English Department and we look forward to the successful applicant joining our team.
