

Joyce Frankland Academy

Candidate Information Pack

Welcome from the Chief Executive Officer

Thank you for your interest in our open position at Joyce Frankland Academy, part of Anglian Learning.

We are an ambitious, outward looking school trust consisting of six secondary schools and ten primary schools, the latest to join our community being Wimbish Primary Academy in September 2023. While each of our academies retains very clearly their own identity and ethos, we are collectively passionate in our belief that all young people deserve to have access to an outstanding education, and which crucially enables them to thrive in the local, national, and global communities in which they live.

Anglian Learning has been founded on strong collaborative and trusting relationships, where everybody is committed to sharing their successes, but equally open to innovative ideas and alternative perspectives. We also passionately believe that our most valuable resource is our people, and if you apply and are successful in your application, we promise to develop and support you in your career, as well as providing a caring, friendly environment in which to work.

For an informal discussion regarding this role, please contact our dedicated HR team at HR@anglianlearning.org.

Chief Executive Officer

Anglian Learning

Our mission is to build an innovative partnership of academies that excites, inspires, and empowers our people – pupils, staff, and the community in which we work - to be the absolute best they can be, to have the confidence to think creatively, and embrace new challenges. Through this we will seek to support and inspire our young people to be dynamic learners who will live, grow, and thrive in the local, national, and global community in which they live and will work.

Currently, the Trust educates more than 8000 pupils and employs over 1000 members of staff in 16 schools across three counties, with a 17th school due to open in the near future. Several of our schools provide adult education opportunities, reflecting our commitment to lifelong learning and we also operate our own sport centres, under the banner of Anglian Leisure.

We are recent winners of the NGA Outstanding Governance Award; have a unique partnership with Arts Council England, reflecting our commitment to arts education; and are one of the eight National Creativity Collaborative pilot hubs. We are strategic partners in the local teaching school hub, working closely with other trusts to provide professional qualifications in addition to our own very extensive professional learning programmes.

We provide school improvement support to our schools, alongside finance, human resources, ICT, and estates support. Many of our leaders, teachers, and professional services staff are involved in networks across the Trust to share best practice and build skills and knowledge, with some taking on cross-trust leadership positions.

Our most recent staff survey indicated that a high proportion of staff:

- ✓ Feel as though they belong within Anglian Learning
- ✓ Agree that they are provided with relevant opportunities for professional development
- ✓ Feel that there is a positive culture of psychological safety within their school
- ✓ Have high levels of job satisfaction and happiness at work
- ✓ Would recommend our organisation as a great place to work
- ✓ Almost all staff who responded to the survey feel part a team within their school and can rely on colleagues for support when needed.

Our four core values and principles guide our work to achieve our vision:

Aspiration

We are ambitious for ourselves and all those in our community to be the best we can be

Community

We underpin our relationships with a culture of support, respect and trust, recognising we are stronger together

Empowerment

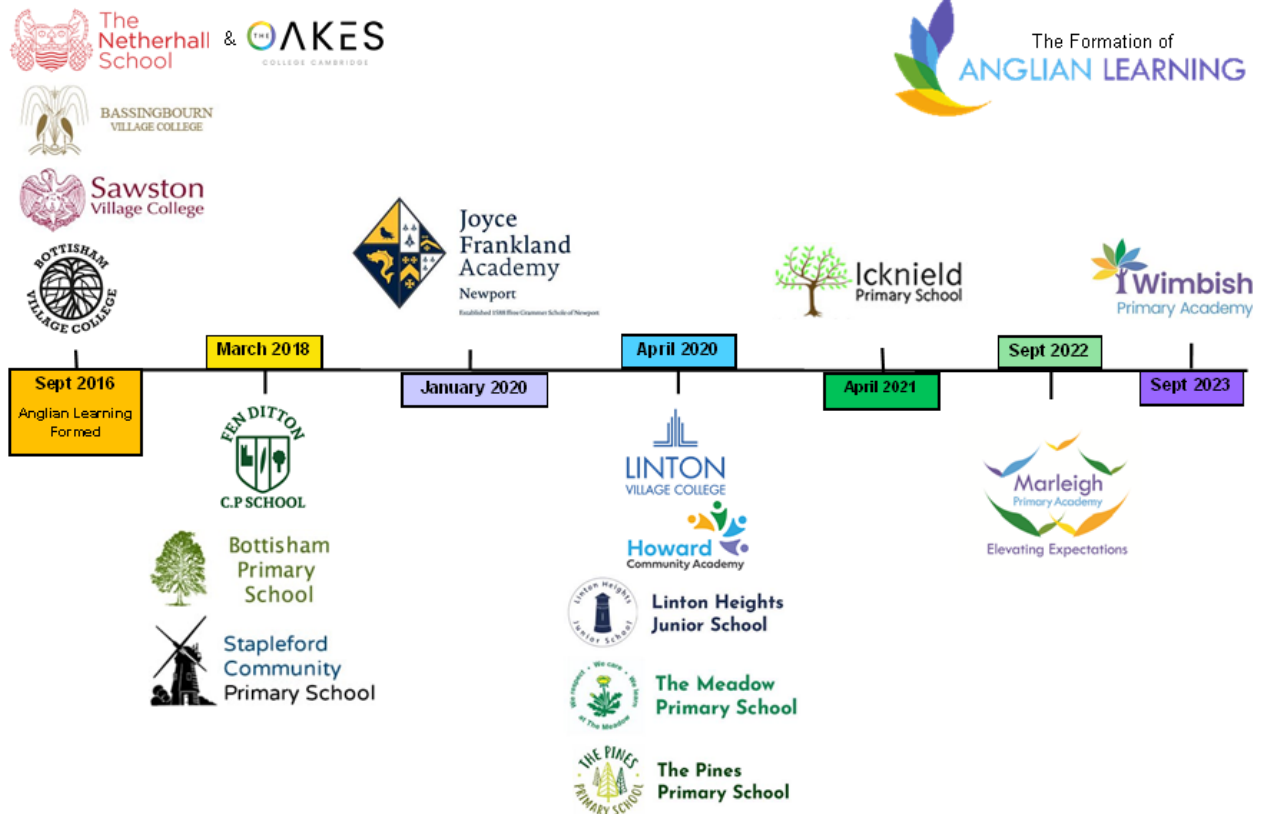

We enable our academies, staff and learners to embrace new ideas and think creatively

Inclusivity

We believe in equality of opportunity, celebrating everyone's differences and supporting learners of all abilities from all backgrounds

Our History

It's an exciting time to join our growing community of schools!

We are committed to providing outstanding academies which are a source of pride for the communities that they serve.

We aim to achieve this by raising the educational attainment of all our young people and using the collective energy and cross-school educational fertilisation within the Trust to improve life chances by:

- Developing a dynamic and inspirational culture for teaching and learning excellence.
- Providing pupils with stimulating and valuable enrichment opportunities across the curriculum.
- Building a curriculum and assessment structure that will enable teachers, pupils, and parents to celebrate success and respond swiftly to challenge.
- Encouraging innovation and risk-taking through a focus on research and best practice locally, nationally, and internationally.
- Promoting, enabling, and supporting leadership at all levels to flourish in individual schools and across the Trust.
- Providing high quality professional learning opportunities for staff at all levels in the Trust

Joyce Frankland Academy - Newport

Founded with the vision of the 'love I bear learning', we realise Dame Joyce Frankland's original purpose, set in 1588, through our values. We also recognise her wider vision, that students and staff would be 'good members of the Common Wealth' ensuring that all members of the community flourish.

We believe that the qualities expressed by 'The 4 I's', are essential to establish life long learning and success. These are:

Independence – The ability to be self-reliant, self-confident, resilient and show initiative.

Imagination – The ability to be creative and inventive.

Inquisitiveness – The desire to be curious and interested.

Insight – The ability to look beyond the obvious and treat others with empathy and understanding.

In our lessons and our extensive co-curricular opportunities, we aim to foster a culture of exploration where students are inspired and challenged to search for deeper understanding to achieve excellence in all aspects of their school experience, and as a result, fulfil their potential and flourish in their futures.

We also recognise that to achieve our goals we must nurture a community where cooperation, support and high standards are modelled by every member of the Academy. Our pastoral structure is designed to ensure that every single pupil is provided with the tools and opportunities they need to become successful members of society.

We believe that our Academy is at an extremely exciting point in its development and we warmly invite you to arrange a visit to see us in action.

Anglian Learning is committed to safeguarding and promoting the welfare of young people and vulnerable adults. We expect all staff to share this commitment and those in regulated activity will be subject to an Enhanced DBS Check and online checks. Certificate of Good Conduct and other applicable checks may be requested.
