ABOUT CREATIVE EDUCATION TRUST

Creative Education Trust inspires and enables young people to build successful lives on foundations of learning, resilience and employability. We believe that a rewarding educational experience and the highest possible qualifications are the best way to ensure social mobility for young people.

Creative Education Trust is a growing multi-academy trust educating over 13,000 children in England. It was established in 2010 to work in England's post-industrial cities and coastal towns: areas of economic disadvantage and with a history of academic underachievement. We transform these schools by integrating a knowledge-rich curriculum with skills and creativity.

Creative Education Trust defines creativity as the ability to find connections between the things we know and turn these connections into new ideas and action. The academic arts and the sciences, practical subjects and life skills all need this creativity, and creativity is valued highly by employers. Our staff and expert advisers use imaginative methods for linking knowledge across subject boundaries, fostering personal development and resilience and developing practical skills that prepare students for their transition to adult life and employment.

SUPPORT FOR OUR STAFF

We are committed to providing our academy leaders with the highest quality support and challenge to ensure that their schools excel and give our students the education they deserve.

Our Principals and Headteachers have a good deal of autonomy as school leaders within a framework developed collaboratively with our Director of Education and our Director of Standards and Primary Education.

Each of the Creative Education Trust's schools benefits from a comprehensive programme of support and challenge, including working with former HMIs.

Creative Education Trust places a strong emphasis on CPD for teachers and for senior and middle leaders. We run a regular programme of training events to improve teaching performance and also provide focused management development and one-to-one coaching opportunities. We have an active cross-trust group on the Teaching Leaders programme and use Future Leaders and Teach First extensively.

We believe it is very important that each of our academies plans in such a way that financial and human resources are deployed to support their educational strategies fully. This is supported by our experienced Head Office team, who are available to advise on financial planning, audit, HR, legal and property matters either directly or by referral to our professional advisors.

Each of our Headteacher is a member of the Headteachers' Forum that meets regularly to help Creative Education Trust develop its ethos and strategy, and to share their professional expertise. As the network of Creative Education Trust schools grows, this forum has increasing value as a means of professional development and problem solving.

There are also a number of cross-group, phase leader and year-specific forums.

ABOUT CAISTER ACADEMY

Caister Academy is an 11-16 co-educational day school, specialising in Literature and the performing arts. We offer a rigorous, traditional curriculum; supplemented by a broad choice from the arts, technology, and sport; all personalised to the strengths of individual students.

Located half an hour from Norwich, on the beautiful Norfolk coast in the picturesque village of Caister-on-Sea, we have excellent access to the famous Norfolk Broads, local seaside towns, and picture postcard views of the sea. We are proud to serve at the heart of our community, and through our core values of ambition, opportunity, character, and community, seek to do so in all that we do.

In March 2015, we joined the Creative Education Trust. We work closely with other local Creative Education Trust schools, and as a family, have the resources and support to find and develop the potential of every individual.

We are fortunate to have excellent facilities in many areas, but through the Creative Education Trust, we are currently engaged with Walters & Cohen Architects to develop and deliver a five-year site development and refurbishment plan which will completely modernise all areas of our provision.
