

What is it like to work as a teacher of English at The Holgate Academy?

*Teamwork and positive relationships make the English department an exceptionally inclusive team whereby all staff feel valued and respected. We all work with one another to deliver an outstanding and interesting curriculum for KS3-KS5 as well as prioritising time for coaching. Well-being check ins are also scheduled in consistently to support our work life balance. Within the faculty, we have staff with a variety of specialised knowledge and a clear understanding of how to support the teaching & learning of others. We are looking for somebody to join our team who is just as enthused about the subject as we are.*

*Our office door is always open and there is always somebody to ask if you need any support.*

*Holgate is an Academy where teachers make a real difference to students' lives and staff work together across the Academy to support one another on a daily basis.*

*The CPD/career development opportunities are brilliant and sufficient time is always taken in order to ensure that every staff member's voice is heard.*
