# Letter from our Headteacher

## **Post of Teacher of English**

Thank you for your interest in this post at Beacon Academy which offers an exceptional opportunity to teach in a large highly successful, happy, well-resourced, exceptional non-selective 11-18 school.

At Beacon Academy, our teachers are subject experts who persistently advance their knowledge. They debate its content and pedagogy to ensure that our students are taught the very best, and in doing so, they aim for our students to love their subject. Increasingly and intentionally, our teachers make links with other subjects to draw on students' prior knowledge and enable them to understand new content.

We wish to appoint a dedicated, hardworking, highly skilled and knowledgeable Teacher of English. The successful candidate will be as we have described above and have high expectations, excellent subject knowledge as well as genuine ambition. They will consistently plan and deliver lessons that inspire, engage and challenge each of their students enabling them, including the most disadvantaged and those with SEND to be enthusiastic about their learning, develop a deep knowledge about the most significant ideas and make excellent progress.

## **Context**

We are a split site, semi-rural, mixed 11-18 non-selective converter academy with approximately 1520 students, including over 220 students in our Sixth Form. We are situated centrally in Crowborough on the outskirts of the Ashdown Forest, an area of outstanding natural beauty. We are close to Tunbridge Wells and the South Coast. The vast majority of our staff travel to Beacon from a variety of destinations within the South East, including Brighton, Eastbourne, Lewes and Tunbridge Wells.

Our catchment area generates our truly non-selective intake, both in terms of ability and socio-economic background. We are an oversubscribed school. We draw students from more than 10 primary schools in Crowborough and the surrounding areas. We also attract applications from an increasing number of students outside of our catchment area, however, due to our oversubscription we are generally only able to offer places to those within our pre-defined community area.

Our sixth form provision is accommodated entirely at our Green Lane site, an 800m five minute walk from our main Beeches site which accommodates years 7-11. We are immensely proud that we retain a high proportion of our Sixth Form students from Beacon Academy as well as recruiting students from other local and international schools.

## **Vision, culture, expectations and outcomes**

Our vision is to provide the best possible education for all of our students and to be ambitious for excellence in all we do. Whether a member of staff, trustee (governor) or student, we all work relentlessly to inspire and believe in one another to achieve our ambitions and succeed in life.

At Beacon Academy there is an expectation that as staff and students, we will work hard, be ambitious, self-motivated, inquisitive, resilient and determined to succeed. Our students work incredibly hard, are polite, respectful, well behaved, well presented and ready to learn. They are expected to be caring, considerate and tolerant in lessons, social time and whilst travelling to and from school. These areas are reinforced and adopted positively by staff and students alike – there is a tangible sense of pride in being part of Beacon. Our students are meticulously supported by our experienced, loyal, highly skilled and highly effective team of staff. This includes a dedicated, non-teaching Student Support Team consisting of a Head of Year (teaching staff) and an Assistant Head of Year (non-teaching staff) for each year group who support them throughout their time at Beacon Academy.

The rigorous focus on all of our students as unique individuals is paramount. There is an unprecedented determination and commitment from everyone who works at Beacon that they will succeed. We work diligently on our unapologetically high expectations and standards, allowing us to foster exceptional relationships in an environment that is consistently calm, safe, happy and orderly. I have no doubt that the combination of this with our broad, balanced curriculum and outstanding teaching contributes significantly to our sustained improvements across the board. Our latest A-Level and GCSE results are testament to this and to the teamwork of our phenomenal students and staff.

In 2019 we were immensely proud and delighted to be celebrating the best ever A-Level and GCSE results in our sixty year history, and we found ourselves once again significantly above county and national averages. These results placed Beacon Academy as the top performing school in East Sussex and one of the top performing schools nationally.

### **Exam Success (last published results 2019 due to COVID)**

As confirmed by the Department for Education's national league tables, in 2019 Beacon Academy was the number one school in East Sussex for the third year running under the headline Progress 8 measure, in first place in Sussex overall and in the top 1.8% of all schools nationwide.

Progress 8 is the Government's main performance measure, and reflects the value that schools add to the progress of their students in respect of their final GCSE grades, compared to that of their peers of similar prior ability across the country.

In 2019 our Progress 8 score was 0.97. As a non-selective, non-denominational, non-fee-paying school, we are immensely proud and delighted to have received this confirmation, once again, of our high-ranking position. We are in an esteemed group of 6% of schools nationally who are now categorised as 'well above average' for two years in a row. There are approximately 25 schools nationally who have been above us for each of the last three years (0.7% of all schools). As ever, this is a reflection of our vision and our determination to consistently provide the best possible education for all of our students, and to become an exceptional school for our community, both locally and nationally.

We are incredibly proud of our Sixth Form students. Amidst significant national changes to the structure and content of A Levels, they have achieved some excellent results and 94% of those who applied to university were accepted at their first choice institution.

Our results for 2019 show an increase in all A Level and GCSE attainment measures. Please note that due to the pandemic, we are not able to publish our 2020 results, however we would have continued and sustained our upward trajectory for both our GCSE and A Level outcomes.

# The English Department

We are a large and highly successful department, with twelve teaching staff and a KS4 intervention specialist. English at Beacon Academy has a long tradition of academic excellence. Consequently a strong cohort of students progresses on to English Literature at A-Level.

Our main priorities are to develop articulate students who write inventively; encourage a love of reading, and to sharpen the critical and analytical faculties of all our students. We offer a knowledge based curriculum which is both challenging and traditional. Our students are required to read a wide range of literary texts across a range of forms. We work closely with other local English departments to develop good practice.

Over the past four years, the department's outcomes at both KS4 and 5 have been well above national averages. Our KS4 outcomes for English Language have placed us in at least the top 6% for progress in the country with expected progress at or above 80%.

The department is led by a Head of English, supported by three middle management leaders, each with individual responsibility areas.
