Headteacher Letter to Applicants

Dear applicant

Thank you for the interest you have shown in our school. I am delighted you are considering joining William Brookes School and as the Headteacher I am proud to welcome you to our vibrant and successful school.

William Brookes is unique in that it is the only Coubertin school in Great Britain and is a place where Olympian values infuse every aspect of school life. Students gain good academic outcomes, but education is not just about the academic mind; it is also about the heart and so students at William Brookes are exposed to a broad range of enrichment activities; especially through the Arts and in Sport.

Please explore our website and read the additional materials included in this pack to find out more about us. The Job Description & Person Specification give you full information about this post. You are most welcome to contact Clare Hadley to arrange a visit to the school or an informal telephone conversation with myself prior to any application.

I hope that you are inspired by what our school has to offer, and I would welcome an application from you.

Additional Information about William Brookes School

William Brookes School is a mixed comprehensive school with **over 930 students on roll**, including over **100 in the Sixth Form** and each September sees us oversubscribed in Y7. The school always has an exciting feel to it, with a lot going on every term. We moved into our brand new school in September 2010 and everyone, students, staff and the local community, has embraced the fantastic ICT rich facilities we now have at our disposal. Our school is very much focused on the people who work within the building and we work hard on achieving our motto of “be the best you can be through courtesy, enterprise and endeavour”.

Although situated in beautiful surroundings on the edge of the small rural town of **Much Wenlock**, we are far from being a sleepy rural school. We have **eight partner primary schools**, with whom we work very closely, but we draw from a much broader spectrum of some 25 or more primary schools, including some in Telford, Bridgnorth and Shrewsbury, as well as the **wider rural area of South East Shropshire**.

We are a **comprehensive** school in every sense of the word. Our **ability spread is wide and also well balanced**. The last few years have seen several of our students go on to Oxford and Cambridge but we also cater for students with quite complex special educational needs too. The socio-economic background of our students is equally mixed and we enjoy the same levels of support from parents from all sectors. Some children have moved to us from the independent sector, some students live in isolated communities and many live in our surrounding villages and towns, with some 25% coming from the immediate town of Much Wenlock and surrounding area, approximately 31% from Broseley, which lies to the south of Ironbridge and 17% coming from the neighbouring areas of Telford & Wrekin.

Dr William Penny Brookes

As the only “**Coubertin School**” in Britain we enjoy not only a rich cultural tradition that is derived from the life and work of our namesake, Dr William Penny Brookes, but also unique opportunities for Sixth Form students to undertake activities with partner schools from across Europe and beyond. Younger students are participating in student voice and leadership activities related to the Olympics and Olympic values. Our **Arts Centre, “The Edge”**, is located at the heart of our new school and it enhances our Music, Dance and Drama facilities as well as benefiting the wider community of this part of Shropshire and reflecting our great strengths in the performing arts.

We consider ourselves very fortunate to work in a wonderful school with fantastic facilities in a beautiful location. We want William Brookes School to be a great place to learn and a great place to teach and hope that you will want to join us and be part of its exciting future.
