Due to building capacity in our staff team, I am delighted to be advertising for a **Fixed Term teacher of English (0.2)**.

St. Peter's is a small Medical Short Stay School (PRU) based in Englefield Green, with provision for 12 FTE pupils who are unable to access school due to medical needs, either physical or emotional.

At our last OFSTED Inspection, we were graded as 'Outstanding'.

Our students require an inspiring and passionate English Teacher to join us in our small and unique school. Our students need a teacher who exudes joy and talent in relation to their subject as well as working with young people. We work with young people with a range of medical needs that leave them unable to access mainstream school for periods of time. These young people require specialist support and a robust yet compassionate approach to learning and preparing for the future. Teachers will take responsibility for teaching English to both KS3/KS4 groups across the ability range.

We offer:

- Small class sizes
- Excellent student behaviour and strong relationships between staff and students
- An opportunity to be creative and innovative in the classroom
- A supportive school with staff wellbeing as a focus
- A friendly and happy school dedicated to nurturing and challenging our students
- A fixed term contract until August 2022

We are looking for:

- A teacher who loves to teach and finds joy in sharing his/her subject knowledge
- A teacher who is committed to our school staff, students and community
- A teacher who would love to teach small groups of young people who are a pleasure to teach
- A teacher who will understand challenges students face but not allow this to lower expectations
- A teacher who can adapt the English curriculum to meet the needs of our students
- Passion, enthusiasm and a flair for teaching
