Teacher of English – MPS/UPS

Full Time - Permanent September 2022

Are you looking to teach in a happy, well established and successful English Department, where Ofsted recently said behaviour was excellent?

You will be a highly motivated and enthusiastic colleague who is keen to make a difference. Your role will be instrumental in delivering the Kepier vision of inspirational, supportive and challenging learning experiences.

You will be a practitioner who has the vision, energy and drive to build on existing strengths and the ability to move the subject forward. You must have a good English qualification, be able to clearly communicate your passion for English and literacy, and engage successfully with our learners.

You will be required to teach across the full age and ability range, and therefore candidates must have good knowledge and understanding of KS3 and KS4 English. Applications are welcomed from ECTs. We will appoint the best candidate on the day. This could be an upper threshold teacher, main scale teacher or ECT.

Kepier is committed to promoting and safeguarding the welfare of children and young people. Enhanced Certificate of Disclosures are required for this position. Please note that in all cases, written references will be sought and made available to interviewers before the final selection stage.

Application form, job description and person specification are available online at www.kepier.com. Application forms (please do not attach additional letters or statements) should be returned to recruitment@kepier.com no later than 12 pm noon 23rd May 2022. It is hoped that interviews will take place Wednesday 25th May 2022.

We fully appreciate the time and effort required in completing an application and, whatever the outcome of this particular process, we are grateful for your interest in working at Kepier and wish you every success with your future career. Applicants who have not been contacted within 2 weeks of the closing date should assume they have been unsuccessful.
