

UTC Sheffield City Centre - Teacher of English

NOR: 600 (360 at Post 16)

Age range: 13-19 years

Start: September 2024 – 1 year maternity cover

Salary: £30,000-£46,524 dependent on qualifications and experience

The Sheffield UTC Academy Trust provides a new and dynamic education. We opened our City Centre site in September 2013 specialising in Engineering and Creative & Digital Media and then opened our second UTC on the Olympic Legacy Park in Sheffield in September 2016 offering opportunities for students in Health Science, Computing and Sports Science. In December 2019 UTC Derby Pride Park joined our Trust specialising in Engineering and Life Sciences. All 3 UTCs have been rated 'Good' by Ofsted.

We aim to deliver an outstanding educational experience grounded in real, relevant workplace practice. Partnerships with world-class companies, schools, colleges and universities give our students a unique start to their future careers. We provide training today for the jobs of tomorrow. Our cutting edge facilities and engagement with employers and university partners provides an exciting environment in which to teach and develop professionally, resulting in exceptional destinations for students at Russell Group Universities, including Cambridge and local and national employers.

You will work alongside the Principal Alex Reynolds and the UTC staff to develop a centre of excellence focusing on Engineering & Manufacturing and Creative & Digital Media. Under the direction of the Curriculum Director for English and Communications you will directly teach GCSE English Language and English Literature and some aspects of Functional Literacy at KS4. At Post-16 you may also deliver GCSE English resit courses and A Level English Language and Literature Combined.

You will be a highly skilled practitioner who understands the challenges of educating 13-19 year olds in an employer led technology rich environment. Effective partnership working is absolutely critical to the UTC's success. We also welcome applications from newly qualified teachers who have the skills and attributes to develop their expertise within our unique environment.

We are looking for engaging and inspirational individuals: resilient, driven and focused, who will creatively approach the delivery of the English curriculum. You will ideally have a passion for promoting the value of literacy for the next generation of Engineering and Creative Digital Media specialists in our pioneering institution at the heart of the Sheffield City Region and its communities.

The Sheffield UTC Academy Trust is sponsored by Sheffield Hallam University, The Sheffield College and Sheffield Chamber of Commerce and Industry.

Closing date: midnight Tuesday 25 June 2024
