Christopher Whitehead Language College is an 11-18 school 'in pursuit of excellence' in all areas of its community's life. Department Overview

The English Department at Christopher Whitehead Language College & Sixth Form consists of a team of 12 English specialists. Within the department there are four teachers with responsibilities: Head of Department, Second in English and KS4 Coordinator, KS5 Coordinator and KS3 Coordinator. We also work very closely with the Additional Needs Department and benefit from the support of dedicated Learning Support Assistants for the department, including a specialist in the teaching of reading.

The department has a suite of rooms which are mostly situated along one corridor. This allows us to support each other and to work closely together. The English teaching rooms are all equipped with projectors, whiteboards and stand-alone networked computers. We are a supportive and hard-working department, which communicates well, both formally and informally. Our ethos is that every child deserves to be given the opportunity to reach their full potential and therefore we like to use meetings to disseminate good practice. We also regularly share resources and ideas and welcome new and exciting ideas; as teachers we feel that reflecting on our practice and developing our curriculum to ensure that it meets the needs of the students is a vital part of what makes us a successful department.

We are very much focussed on the standards that students are expected to meet and have refined our curriculum to ensure that our students are not only equipped to meet the challenge of exams but are also encouraged to look at the big questions that Literature offers us to aid their understanding of the world. Our GCSE results are consistently above the national average, and we are proud of their achievements. We follow AQA specifications for English Language and English Literature GCSE. Our results in Literature are also consistently excellent. At A level we offer AQA English Literature and WJEC English Language and Literature and WJEC Film Studies.

The students are taught in broad banded groups and on two bands. Behaviour in the classrooms and on the corridors has been consistently graded as outstanding by three OFSTED inspections in a row and as a result Christopher Whitehead is a school where it is a pleasure to teach.
