About Rudheath Senior Academy

At Rudheath Senior Academy, we have a warm and welcoming community, at the centre of which are the values of Excellence and Kindness.

With the highest calibre of teaching and support staff, our culture and team ethos is very much set around high ambitions for children and a relentless passion to open their eyes to the wonderful world of possibilities.

It's not just our people who make Rudheath a special place to work, but our physical spaces are also world class. Over £10m has been invested to renovate facilities for both children and staff. This investment has produced facilities that are second-to-none and enabled specialist teaching across the curriculum.

We may be a smaller secondary school in size, but our heart extends beyond the gates of Middlewich Road and out to our local partners, charitable organisations, and feeder primary schools. As a result, it is our vision for Rudheath Senior Academy to be an oversubscribed school where all students, staff and parents are proud to belong to.

We make a promise that every pupil will leave here as a resilient, independent, and happy individual, and to make that happen we will be relentlessly ambitious about creating remarkable experiences and making memories that last a lifetime.
