We are proud to have good staff retention: the majority of the team have been at the school for over six years, and everyone has been here for at least three.

This is an exciting opportunity to join a team which aims to inspire, motivate and challenge every student at all levels. We teach a collaboratively-planned, diverse and challenging curriculum which builds our students' powers of analysis, communication and empathy.

We are proud to inspire our students through a diverse staff body and particularly welcome applications from all of the communities we serve. If you have the experience and passion to energise Tower Hamlets' next generation of leaders, creators and innovators, then we want to support you in that pursuit. There are also significant opportunities for progression within the school.

The school is a high-performing comprehensive. In 2023, we achieved a 0.41 progress score. English Literature is taught at Key Stage 5 and is a popular subject in our sixth form. A Level English Literature has been 100% A\*-C from 2019 to 2023.
