Richard Hale School

Information about the school

Richard Hale School, called after its original wealthy benefactor, has stood on its present site since 1930. It was founded as Hertford Grammar School in 1617 on a site behind All Saints' Church nearer the town centre and changed its name in 1974 when it became a comprehensive school. A door from the original school can be seen in the main foyer when you enter the school giving that sense of history that we are very proud of.

Richard Hale is an 11 - 18 year old boys' comprehensive school with a six-form entry in Year 7. The school has 1200 students with 180 in each year group and over 300 in the sixth form which is mixed. We are heavily oversubscribed with 500 applications for 180 places.

Year 7 students are drawn from approximately 50 primary schools with admissions based on the post coding of traditional parishes. The intake comes from a large area of East Hertfordshire, particularly Hertford, Ware and the surrounding villages. The Sixth Form has continued to grow since becoming co-educational in 2005. It is now one of the largest in the area, attracting boys and girls from further afield than the immediate locality.

The school's buildings have been improved extensively over the years. Facilities include a Sixth Form Centre with tutorial rooms and a large study room. We have improved the facilities on site with a refurbished Engineering block. During 2017 a 3G all-weather football pitch was added to provide improved sport facilities for the students and in September 2022, we opened our brand-new Sports Hall, which includes a fully equipped gym. We play Rugby games at Hertford Rugby Club; this provides a real experience for the students playing in front of a good crowd and under floodlight during the winter evenings. We run a complete set of Saturday morning fixtures in rugby, football, and cricket over the year.

Underpinning all the work done within the school is a steadfast commitment to develop our students into thoughtful, respectful, and focused individuals who are able to make a positive contribution to the community and wider world.

We are a Good School as Ofsted confirmed in our Ofsted Inspection from 2019. The feedback and report reflect the many strengths of the school. The report is available on the website, but the following quotes really show what the school is like, “Pupils are proud to tell their friends that they attend the school. Parents typically say, ‘My son loves coming to school. We are proud that our son is a Richard Hale pupil,” and “Staff and pupils explained to inspectors that they feel like they are part of a large, supportive family.”

The school curriculum and extra-curricular activities

Our curriculum is traditional in principle, but also provides innovation where possible. Some key characteristics:

- We teach KS4 over three years so we can develop skills and enrich the students’ learning experience alongside the increased content the new qualifications require.
- Approximately 70% of students take a modern foreign language and individual sciences at GCSE, placing the school in the top 20 percentile for these subjects.
- Our Design and Technology provision includes Engineering, which is very popular at KS4.
- We have a garage on site allowing the students to experience motor engineering, this is alongside the other D&T disciplines.
- We offer a broad and balanced curriculum which provides a range of opportunities for our students catering for all interests and aspirations.
- Students in the Sixth Form have access to two learning pathways, academic or vocational. The Advanced Level offer is extensive with 21 subjects taught on site. BTEC Business, Science and Sport provide students with a more focused vocational curriculum.

At KS5 we teach a linear syllabus with students sitting examinations at the end of the two-year course. Our destination data is strong with all our students achieving offers for university, many of these from the Russell Group, or successful entry into apprenticeships or employment.

Student achievement is high with 86% achieving 9 to 4 in English and maths in 2023 and 65% achieving 9 to 5 in these subjects. The progress of students is an area which has been a focus over the last few years, and we were delighted to achieve a progress score of 0.39 in 2023 and was 0.4 in 2022. The school's performance indicators are all significantly above the national average in every measure, but particularly for boys.

Our aim is to create a learning environment in which all students can develop their learning, intellectual and personal abilities, both inside and outside the classroom. To this end we provide an extensive extra-curricular programme, with the school excelling in sport, music, drama, science and engineering competitions. Our Duke of Edinburgh's Award programme is strong with large numbers of students taking bronze or gold awards. The school's ethos is one of encouraging the participation of students in the wider school community through a diverse range of opportunities at all levels.

Much of the school activity is centred on the House system. Each pupil is allocated to one of the six houses (Cowper, Croft, Hale, Kinman, Page, Wallace) and throughout their school lives enjoy and compete in many activities, mainly organised by themselves and supported by the Heads of House. These range from sport, music and drama competitions to chess and other types of activity.

Further information on the school and its history and achievements can be found on our website at www.richardhale.herts.sch.uk

English Literature is a popular subject at 'A' Level. There are currently two groups in Years 12 and Year 13. Media is a popular subject, with a large number of students opting to take this, and has grown in the last few years. A Level Media consists of examined and NEA units.

Details about the English and Media curriculum are available on the school website on the curriculum tab.
