

English Department Information

An exciting opportunity has arisen for an ambitious, motivated and committed individual to join the college's dynamic English department.

At Shuttleworth College our students are at the heart of everything we do. Our driving purpose is to make sure that they enjoy their time at school with us and achieve their very best, whatever their next steps. English is absolutely essential to this aim and as such we wish to appoint a qualified English teacher who will inspire, motivate and engage our young people. We also offer GCSE options in drama and media studies within our faculty.

The successful candidate will be an English specialist with passion for the subject and an eagerness to inspire our students to reach their full potential. Applications from NQTs would be most welcome, as the school provides a very supportive induction programme. You will have the ability to consistently deliver captivating and inspiring lessons, engaging students through an outstanding, rewarding learning experience. From traditional literary texts to modern classics such as *I am Malala*, from functional literacy to grade 9 GCSE English Language, from looking at Stakislavski to debating Marxism, we ensure all our students leave us as well-rounded, independent and media aware young people.

In return for your commitment to this, you will receive excellent guidance from an experienced and outstanding curriculum leader and you will be actively supported to develop your knowledge and your career. A willingness to engage in wider school projects and contribute to the extracurricular life of the school is essential.
