

# Teacher of English

## The Priory Pembroke Academy

To start January 2024

Priory Pembroke is a growing academy seeking a positive and forward-thinking teacher of English to join our exceptional staff body. You would join a team who are proud of our vibrant, child-centred culture. Pembroke opened in September 2017 and is growing year on year; this is an exciting time to join us! We are seeking high calibre staff who want the best for every child and a person who will live and breathe our motto: "Achieving Together".

The successful candidate will benefit from numerous career development and network opportunities through Pembroke's membership of The Priory Federation of Academies Trust and a member of LTSA. This allows secondments, CPD, promotion and progression within the organisation and supports our strategy to retain and reward talent.

### More about the Department

The English Department at Pembroke is a passionate, supportive and exciting team to work in. We have grown and developed over the last six years to design and deliver an innovative, engaging and diverse curriculum which places student enjoyment and development at the heart of everything we do. Our GCSE outcomes in 2023 were the strongest yet, and above national average. Our curriculum aims to enable students to explore the human condition by encouraging them to better understand themselves and the world they live in through the study of literature. There are five key themes which underpin our curriculum and these are revised and revisited with increasing complexity as students progress through the academy. They are: power, conflict, love, relationships and identity.

The team consists of six members of staff and is led by a Head of English. A Reading Leader also works closely with the department. Regular CPD opportunities are provided through fortnightly meetings. These meetings aim to develop both subject knowledge and pedagogy. We work closely together in a supportive environment and embody our academy philosophy of 'Achieving Together'. You will be joining the department at an exciting time as we look to continually evolve and develop our curriculum and teaching practices to best suit the needs of our students.

If you consider yourself to be a passionate, creative and organised team-player, we would welcome your application.

**Headteacher:** Mr S Evans
