Permanent
Full Time

Closing Date Monday 14 October 2024

Dear Candidate

I am delighted that you have requested further information regarding the position of **Teacher of English** at Unity College. This is a full time, permanent appointment.

I have been the Headteacher at Unity College since September 2022. Unity College has a very positive, friendly atmosphere. The staff care passionately about the well-being of our children and students are vibrant, enthusiastic and affable. Although Unity College is a large school, we strive to maintain a 'family feel' and a powerful sense of community in which every member of our community feels valued, but also contributes positively to College life.

Our primary focus is, and will always be, developing a superb curriculum across all areas of the College. At Unity College we share a belief that the curriculum - and the enactment of that curriculum - is the single most important factor in closing the disadvantage gap. The curriculum is the key lever in accumulating advantage year-on-year and is the most important mechanism that we have to privilege those who are presently or previously experiencing disadvantage. Curriculum and pedagogy underpin all we do and all staff at Unity College are committed to their own learning as well as their teaching.

The English Department is a large team with a wide range of experience. The successful candidate will be ambitious to support further curriculum development and to enhance the quality of teaching, learning and assessment in English, ensuring that all of our students receive the excellent education that they deserve.

This position would suit an either an experienced teacher or an early career teacher. We are seeking a genuine subject specialist.

Working at Unity College is tremendously rewarding and this role is a fantastic opportunity to make a real difference to young people's lives as well as offering abundant prospects for professional development. As a College we are firmly committed to continuous professional development for all and we invest heavily in developing our staff at all levels.

You are very welcome to visit Unity College to help you decide if this is the school and the role for you; I'd be delighted to meet you. Please contact the College's HR Manager for an appointment. I look forward to hearing from you.

With best wishes

The College

Unity College is a co-educational, 11-16 college. By September 2025, we will be one of the largest 11-16 secondary school in Lancashire, with 1500 students on roll.

Unity College lies within the beautiful grounds of Towneley Park with breath taking views of the local countryside. The College was part of the Building Schools for the Future project. Our main building opened in September 2010. Due to the huge demand for places at Unity College there is large expansion programme which has included a new build of 19 classrooms and some internal structural changes. The new building opened in April 2022. The College's roll has grown significantly in the last three years and continues to do so. In 2021, there were 1244 students on roll, in 2022 there were 1299 students and in 2023 there were 1380. The College roll will continue to grow until there are 1500 students on roll (September 2025). This is a very exciting, but challenging, time for the College as we work hard to ensure that such rapid expansion does not detract from our core business of offering the very best possible education for every student at the same time as knowing our children and families really well.

The College's intake is diverse, with its catchment area comprising some of the most disadvantaged and most affluent areas of Burnley. In 2022/2023, 67.3% of Unity College students came from areas with E/E* overall multiple deprivation indices; 68.8% of students came from IDACI Bands A-F. The school location deprivation indicator is in quintile 4 (more deprived) of all schools. The pupil base is in quintile 5 (most deprived) of all schools in terms of deprivation. In 2022/2023 21.5% of students were identified as having Special Educational Needs, compared with 12.9% in Lancashire and 16.8% nationally. The challenges of this context are manifest in the College and this is one of the reasons that we place such emphasis on excellent teaching to remove barriers to achievement for all students.

At Unity College, we are united by a desire for our students to be happy. Academic progress is obviously vital but we also place a high value on the provision of enrichment opportunities that help our students to grow into responsible, confident, considerate, happy young adults. Underpinning all of this are excellent standards of pastoral support and care that enable children to feel safe and valued. At Unity College, we are proud of the extensive and expert support systems that we have in place for our students. These comprise a wide range of people and processes (both within college and involving outside agencies). We currently have 11 DSLs trained and operational at Unity College.

We believe that our children need to be challenged to think hard, work hard and behave well but we always seek to challenge with compassion: every student will be given the opportunity to achieve academic success in an inclusive, supportive, creative environment. We are committed to ensuring that every student at Unity College experiences a sense of belonging at the same time as creating a culture and ethos that is utterly committed to achievement.

The English Department

The English department is a team of fifteen specialist teachers and enjoys a mix of experienced colleagues and new entrants to the profession. Some colleagues have experience of marking external examinations for both AQA English Language and Literature.

All members of the department teach both key stages and both Language and Literature to students with a wide range of strengths and starting points. We set students based on their prior attainment and have six sets in each half of the year. Students currently have five fifty-minute lessons of English per week in Years 7 to 10 and six fifty-minute lessons per week in Year 11.

In April 2022, the English Department moved into the new Excel building which has twelve specialist English classrooms. All classrooms are equipped with Promethean interactive software.

The English Department is involved in an ongoing process of developing an ambitious, broad, rich and challenging curriculum and sharing of good practice is encouraged department wide. The department benefits from a central SharePoint of resources that all practitioners can access and these resources can be adapted to suit the needs of their learners.

The English Curriculum

The English curriculum is broad, ambitious and balanced. We have a three-year Key Stage 3 and two-year Key Stage 4. In Key Stage 3, students study a broad range of texts from different genres. Students learn a wide range of reading, writing and communication skills during Key Stage 3 and we have created engaging and challenging units of work with the aim to promote a love of English. In Key Stage 4, all students study the AQA English Language and Literature specifications.

In Key Stage 3, students have four lessons dedicated to the main units of work each week and one lesson each week for reading a class reader to promote reading for pleasure. In Year 10, two lessons per week are assigned to studying English Language and three lessons per week are assigned to studying English Literature. In Year 11, we have three lessons per week assigned to English Language and three lessons per week assigned to English Literature. Our main GCSE Literature text are, currently, *Macbeth*, *A Christmas Carol* and *Blood Brothers*. We also study the Power and Conflict cluster of Anthology Poetry.

Why work at Unity College?

Every Headteacher will say good things about their own school and so we asked our staff to contribute to this brochure to give you an honest view 'from the chalkface'. Furthermore, interviews always provide opportunities for candidates to talk frankly with a range of staff.

"I feel so proud and privileged to have worked with so many amazing children over the years. There is nothing more satisfying than seeing children who deserve to achieve great results do so. The fact that we, at Unity College in Burnley, can help students achieve high grades of 8s and 9s shows the true value and quality of our teaching and curriculum. It gives me joy to know our students from Burnley can not only rival the grades achieved by children at grammar schools/private schools but beat them too. (It also makes me feel quietly smug!) We have, and continue to have, a positive impact on the life chances of young people across our community in Burnley."

"I genuinely enjoy coming to work and love what I do. I enjoy teaching and being part of such an amazing team who are more than just work colleagues but are genuine friends. I have worked in a few schools but none of them have ever felt like home in the way that this school does. Here are just a few reasons why I love teaching at Unity College.

1. Many students here at Unity College come from challenging backgrounds, but I feel that I make a difference in their lives by working here. I love working with the dedicated team of staff in our department.
 2. This school has a sense of community where students, staff and our parents and carers work together to look after each other.
 3. We have access to incredible facilities that allow us to offer our students a broad curriculum that is not only engaging but also provides fun experiences that no other local school can genuinely match. As a result, we can offer students of all abilities access to opportunities to lead an active, healthy lifestyle.
 4. I feel proud to be a member of the Unity College family because we have an excellent reputation for the quality of our teaching and excellent behaviour of our students."

"I believe that Unity College has a genuine desire to do the best for all the students. The staff within the department are a good team who work together and the staff have an excellent spirit. When I first came to the school, the staff and pupils were warm and welcoming and accepting of new staff and pupils. I feel as I can discuss any issues with any other member of staff (SLT or class teacher) and will not be judged or questioned but supported to find a solution that is best for everyone."

“I have worked at Unity for six years now and commute here every day from Yorkshire. One of the many reasons I am still here is the excellent working relationships I have with other members of the English department. There is a very friendly feel to the department, and everyone just "gets on" with each other. I have worked in several other schools where there was not the same cordial atmosphere in the staffroom. As for the students I have found that they take a little bit of getting used to but once you have gained their respect, they are a great bunch of young people to work with. The diverse range of student backgrounds makes it a very rewarding job where you can feel that you are really making a difference to the lives of the students in your care.”

“Unity College is a modern, successful, and well-respected school with great facilities based in beautiful surroundings – but none of that to me is truly important. The reason I work at Unity College is because I love the great team dynamic in the supportive, professional department that I'm part of; it was also immediately obvious when I interviewed here that the whole of the college really cares about the future of our children. The fact that the school is within easy reach of a variety of vibrant places to live doesn't hurt matters either!”

“There are so many reasons why I love working at Unity College. Here are just a few:

1. There is a whole school approach to behaviour management: staff are supported by Heads of Department and SLT to maintain a positive learning environment.
2. Teachers are respected as professionals.
3. Although some students face real challenges outside of school, when they see that you as a teacher are staying here and not giving up on them, they behave well and work hard. I find this one of the most rewarding things about working here.
4. We have such a range of students from different backgrounds.

There is never, ever a dull day!”

“You really should choose to work at Unity College because it is a school where staff are valued and made to feel welcome, truly act as part of a team, and are encouraged to develop themselves as practitioners. As the College expands and grows, it is an exciting time to join to help shape the future of more young people in Burnley and make a difference to their lives every day.”

“I have travelled 6121 miles from my home town and have taught for half my life at Unity College. I absolutely love being part of the 'Unity' family. It is one of the most rewarding experiences playing a part in educating young people in Burnley, watching them grow in confidence, develop a love for English and achieve success.”
