**Teacher of English with TLR2(1)
MPS**

“Pupils are polite and show respect to each other as they calmly move around the school site”
“Leaders have a strong moral purpose to match the curriculum to the pupil.” Ofsted January 2018

If you are seeking a life in the country with easy access to Oxford, London and Birmingham, The Warriner School is the ideal location for you. We are situated in the North Oxfordshire village of Bloxham, only a five minute drive from the historic market town of Banbury.

We also benefit from a 120 acre working farm which is utilised for teaching purposes across the whole range of subjects. This is also the platform for our sixth form students to prepare for careers in the veterinary field with past students being offered university places based on this alone.

As part of the Warriner Multi Academy Trust we offer excellent opportunities for career progression and CPD. We have a very supportive ethos and as such our community looks after each other, both staff and students. Student behaviour across the school is very good and students are encouraged to reach their full potential by our dedicated staff.

The Warriner School enjoys a good reputation locally, with dedicated colleagues and enthusiastic students. Staff have high expectations for all students and work enthusiastically to continue raising attainment and achievement.

As a consistently oversubscribed, expanding school we are seeking to appoint a well qualified, enthusiastic and dedicated teacher of English to join our thriving and successful team. English is a vital part of the newly created Culture and Communications Faculty and spans all three Key Stages, with both A Level English Language and Literature offered. The English department is a strong and supportive team which is focused on providing a broad, balanced, rich, and challenging English education for all students alongside raising standards in both attainment and progress. This post will appeal to both experienced teachers of English and those starting out in their career wishing to take on additional leadership and management responsibility. The successful candidate will be a creative practitioner who is willing to apply different teaching and learning strategies in their practice. Applications would be welcomed from candidates that have good knowledge of the principles of teaching and learning, and an interest in curriculum design. It is essential that candidates have a passion for the subject and are driven to continue the trend of success at Key Stage 4 and Key Stage 5.

A job description and application form is available from our website: <https://www.thewarrinerschool.co.uk/vacancies> or Mrs Trish Morgan, PA to Headteacher at recruitment.4007@warriner.oxon.sch.uk

Please note we can only accept CVs as supporting documentation when submitted along with a fully completed school application form.

All schools within the Warriner MAT are committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to share and demonstrate this commitment. The successful candidate will have to meet the requirements of the person specification and will be subject to pre-employment checks including an enhanced DBS check and satisfactory references.

Please be aware that, as part of the shortlisting process we may carry out an online search in line with KCSiE.

Closing Date: Wednesday 19th April 2023 at **1pm**

Interviews will be held w/c 24th April 2023
