

WOLLASTON SCHOOL

Wollaston School is a large, rural community school located in a village setting about 15 minutes drive from Northampton. The student intake draws on nearby villages and the towns of Earls Barton, Wellingborough, and Irchester. We have over 1400 students on roll with approximately 240 students in the Sixth Form. The school is over-subscribed. Wollaston School was rated 'Good' by Ofsted in April 2017.

Required for September 2022

TEACHER OF ENGLISH—MPS/UPS

We are seeking to appoint an enthusiastic and ambitious teacher who is able to teach English throughout the school at Key Stage 3, Key Stage 4 and A-Level for a suitably qualified candidate. Newly qualified teachers are welcome to apply. The successful candidate will be well-qualified & have a passion for their subject.

English is taught to all students throughout Key Stage 3; students have four 50-minute lessons each week. At GCSE, all students take both English Language and English Literature at GCSE. Both of these subjects are currently offered at Key Stage 5 and the faculty also offers Media Studies as an A-level subject.

The English faculty comprises 10 full time specialist staff. The faculty is housed in a dedicated block with nine classrooms, including its own IT suite, staff base and a library resources centre that has recently been completely refurbished. The faculty has consistently produced some of the best results in Northamptonshire over the last five years, typically with around 90% of students achieving grade 4 in English at GCSE and 25% achieving a grade 7 or above. In the Sixth Form, English and Media Studies have been popular subject options and several students go on to do English related courses at university each year.

We offer a comprehensive employee benefits package including support of the Teacher Pension Scheme, Cycle to Work Scheme, Discounted Onsite Gym Membership and onsite parking.

Wollaston School is a fantastic place to work and study. Informal visits are welcomed if you would like to see us in action and to learn more about us prior to your application.
