### **Introduction**

Dame Alice Owen's School is a mixed, partially selective secondary school with over 1,440 registered students and a vibrant and highly successful sixth form. Our school was founded 400 years ago by Dame Alice Owen, a remarkable philanthropist with an unusually modern vision for education. She established the first school in Islington and as demand outstripped space, it moved to its current setting in the Hertfordshire countryside. Because of its roots and its close and important relationship with the Worshipful Company of Brewers, there are 20 places each year for 11 year old students from Islington. It also offers 65 places to the highest scoring applicants who sit the entrance exam each year and a further 10 places for students showing the most aptitude in music who apply for a place in Year 7. The remainder of the places, in an annual cohort of 200, go to siblings, local students on the basis of proximity to the school and to those with priority need.

It is this combination of student and its truly outstanding record of achievement and added value that makes our school such a special place. It is oversubscribed by 5 applicants per place every year. Our dedicated staff, parents' association, Governing Body and school (staff and student) leaders constantly appraise and re-appraise the various aspects of school life, learning and achievement so we are never complacent. Our school faces the usual challenges of all educational establishments in the public sector, and ensuring that their impact is felt least by the students is a key objective.

We were delighted to be recognised as The Sunday Times Regional School of the Decade in November 2020' and the country's highest ranking non-fully selective state school of the year in 2021. Securing a place at Owen's has been described as "winning the lottery" in the Good School Guide and "the golden ticket" in Tatler. Our school benefits from some of the most able students in the country. Many of our school leavers from Year 13 have offers from top universities to choose from, including on average 20 places at Oxbridge each year.

Our Foundress left a number of fields in the then village of Islington to the care of the Worshipful Company of Brewers which now generate over one million pounds of additional income for the school annually, to support the school. This creates a very special ethos and fosters the very positive staff working environment. The students and staff benefit from a number of traditions including Beer Money, staff awards and Visitation.

Below are some of the key qualities and attributes we believe have contributed to the school's excellent reputation:

- Committed and dedicated staff who are responsive to change
- The value we place on collaboration, both within our school and with other schools
- Teamworking
- Superb pastoral care
- Energetic, curious and enthusiastic students
- A very wide range of extra-curricular activities, most notably within Music
- Excellent resources and facilities
- Forward-looking and proactive leadership
- Attention to detail
- A foundation stone of tradition and heritage; and
- Exceptional recognition by Ofsted.

Our primary aim is to work in partnership with students and parents to ensure that students achieve their full potential by:

- Striving for academic excellence;
- Providing a happy, safe, purposeful and caring environment and encouraging a sense of pride in the individual and our School;
- Embracing innovation whilst maintaining our strong links with tradition;
- Providing interesting and challenging opportunities so that students enjoy their learning and maintain a desire to continue learning throughout their lives;
- Recruiting and developing outstanding staff;
- Offering high quality extra-curricular activities which involve all students;
- Promoting respect for and understanding of religious and moral values.

## **The Food and Textiles Department**

The Food and Textiles Department is situated together with the Art Department and Maths Department in a purpose-built building. There are two Food Technology rooms, a large Textiles room, a technicians' room and a Design and Technology staff room. The Food and Textiles Department is well resourced. All rooms have an IWB and there are 20 Chromebooks.

All Key Stage 3 students study Food and Textiles, for approximately six months in each area, each year. The school day is divided into 5 periods and each Food and Textiles lesson is 60 minutes long. Each year group of 200 pupils in Key Stage 3 is divided into 11 practical groups.

GCSE Textile Design (AQA) and GCSE Food and Nutrition (AQA) are both popular option choices at KS4. A2 Textile Design (AQA Art and Design) is offered in the 6th Form. Results in all Key Stage 4 and 5 courses are very good.

### **What we can offer you**

The school provides an excellent range of staff development opportunities. This is currently led by Lauren Common, Assistant Headteacher and our team of ASTs/SLEs with responsibility for teaching and learning. All staff members are encouraged to continue their personal development and undertake further qualifications if they wish.

We have a commitment to ensuring staff undertake minimal cover and wherever possible none at all. The Governing Body is committed to admitting the children of staff in line with our admissions procedures.

We fully appreciate the time and consideration which go into applying for a new job. If there is anything we can do to help you through this process, please do not hesitate to ask.

We very much look forward to receiving your application.
