3. Information about Iveshead School

Iveshead School is for students aged 11 to 19 years based in Shepshed on an extremely well resourced campus. We joined The Mowbray Education Trust in December 2022. Mowbray Education Trust is a family of schools with the shared belief that every child is deserving of a first-class education, regardless of background or ability. Driven by this ethos, the Trust strives to deliver first-class teaching and learning with integrity. Students and teachers benefit from the Trust culture which promotes an aspirational, open and collaborative approach to learning, enabling each student and colleague to thrive and achieve their full potential.

We have built on the reputation and results we have achieved in recent years and continue to provide a caring place of learning for our students. Here they develop the skills and confidence they need to make their way through to the next stage of their lives whether that is higher education, an apprenticeship or employment. 'The School provides a calm and purposeful learning environment' (Ofsted, 2022).

We currently have over 900 students on roll and are growing. We are a popular school in the local area and our 2023 intake is likely to be oversubscribed. Our Sixth Form provision is also growing and attracts students from the local area, not just those who have completed their GCSEs with us.

The character of our school can be defined by our three core values - 'respect', 'enrich', 'succeed'. We offer a supportive and welcoming community environment with respect for all, a dedicated staff and a strong blend of activities, which create an enriching and successful education for all students at Iveshead.

We have two specialist units within our school offering dedicated provision for students with SEMH and Autism. Our latest Ofsted Inspection reported that students with specialist educational needs and/or disabilities (SEND) enjoy being part of this inclusive school.

Shepshed is located within striking distance of the M1 and close to the attractive University town of Loughborough. The cities of Derby, Nottingham and Leicester are all within 30 minutes' drive. Birmingham is 40 minutes by motorway, and London is less than two hours. East Midlands Airport is less than 20 minutes away. Shepshed is situated on the edge of Charnwood Forest, with quick access to open countryside, including areas of park land. As a small town, Shepshed has good amenities, some of which (such as the swimming pool) are centered on our campus.

The school has a commitment to high achievement. A key aspect of raising achievement is effective teaching which is of the highest standard, and this is a basic quality we look for in all appointments we make.

Iveshead is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. Safeguarding training for all staff forms an essential part of our CPD programme.

We offer a supportive induction process to new colleagues joining the school and ECTs are all allocated a mentor for their first year at Iveshead.

CPD is important here, we have an emphasis on sharing good practice and have dedicated sessions which staff are encouraged to participate in. Our school calendar allows for regular opportunities for faculties to meet together and develop professionally.

We have a strong focus on staff wellbeing and regularly offer mindfulness training. Staff also have access to the wider wallet benefit / discount scheme and a cycle to work scheme. We have a pool on campus and regularly offer free swims for staff. A recent Ofsted report highlighted that staff are proud to work at the school and that they appreciate the consideration leaders give to their well-being and workload.
