

Teacher of Food Technology

Person Specification:

The successful applicant will be keen, enthusiastic and extremely well organised. They will be able to enthuse, motivate and inspire children, and be focused on the high attainment of all their students. A willingness to participate in extra-curricular Food Technology enrichment activities is essential.

We are looking for a person who:

- Has a passion for cooking with students.
- Can plan and deliver GCSE Food Preparation & Nutrition and Hospitality & Catering.
- A proven track record of success as a teacher, as exemplified by good examination results; for NQT's evidence should consist of an outstanding placement reference particularly about the standard of teaching and learning.
- A familiarity of the food industry OR aspects of the food industry is desirable.
- Can build positive and productive working relationships with staff, pupils, and parents.
- Can deliver a creative, inspiring, innovative approach to teaching and is able to deliver outstanding lessons through being committed to making learning challenging, exciting, and worthwhile for our children.
- Can implement Google Classroom and online learning tools within lessons where necessary to meet the diverse needs of learners.
- Show excellent organisational skills and the ability to complete necessary assessment documentation and information needed for record keeping.
- Is ambitious and will welcome professional development opportunities.
- Demonstrate commitment, enthusiasm, and flexibility in their approach to Food Technology.
- The ability to stay positive and meet deadlines even when working under pressure.
- Be a positive team player.
