Kents Hill Park School is a new 'all-through' school in Milton Keynes that opened to 30 pupils in Year 3 and 120 in Year 7 in September 2018. There are now 750 pupils from Foundation to Year 9.

Part of the Kingsbridge Educational Trust, this is an outstanding and rare opportunity for an excellent practitioner to play a key role in the development and growth of this exciting all-through school from its very early stages, creating and developing a brand new curriculum and course within the school.

We are looking for an innovative, passionate and committed individual to join our dedicated team. Flexibility and the desire to take part in all aspects of the school will be required as we move into our first GCSE year. This is a superb opportunity to help shape the future of the school and the confident, independent and forward-thinking pupils who we inspire each day.

The successful candidate will:

- Have a proven track record of excellent teaching, including GCSE;
- Have high expectations of our children in all aspects of school life;
- Have the ability to forge and maintain positive working relationships with children and their families;
- Be ambitious for themselves and the school.
- Be willing to work across both phases of the school.

Kents Hill Park School provides outstanding facilities for the community it serves. The secondary phase occupies its own site and will accommodate up to 750 pupils. Excellent conditions of service will be offered.

For further information or an informal discussion, please contact Mr James Pilgrim, Head teacher. Application forms and further details are available on the school website, www.kentshillpark.school.
