BACKGROUND INFORMATION

Blenheim has been under new leadership since April 2017. The school became Surrey's most improved secondary school in the 2017-18 academic year, was categorised as 'good' in all areas in May 2019 and attained its best GCSE results in the summer of 2019. In the summer of 2020, 5% of departing Sixth Form students secured places at Oxbridge and in January 2021 Blenheim was confirmed as Surrey's most improved school for the number of first preference Year 7 applications; an increase of 26%. In March 2022, Blenheim was oversubscribed for the third consecutive year. A number of comprehensive measures are in place that have improved the consistency of teaching, the quality of assessments and the impact of feedback, so that all students now make good or better progress. At the heart of the school's recent successes has been the comprehensive and consistent implementation of Formative assessment across the curriculum.

Blenheim is a dynamic, exciting and supportive environment in which to work. The school opened in September 1997 with one year group and has grown to its current size of 1293 students on roll including 205 in the Sixth Form. Blenheim is a mixed comprehensive and our reputation in the community is excellent. The intake comprises of students from all surrounding areas with ability levels being favourable; over 50% of all students have high prior attainment at the end of Key Stage 2. In recent years the school's popularity has grown significantly, as detailed below:

Year	2022	2021	2020	2019	2018	2017
Number of Year 7 Students Recruited	248*	248*	248*	234	209	188

* Waiting lists currently operate in these three year groups.

Blenheim revolves around a Growth Mindset where all members of the school community are expected to value and develop the characteristics of hard work, resilience, innovation and improvement. Since April 2017, there has been significant change to the school's structures and systems, including:

- New Headteacher and New Leadership Team of two Deputy Headteachers and nine Assistant Headteachers.
- A three-year Key Stage 4 and a six-period school day comprising of an increased number of double periods.
- Formative assessment is now embedded across the curriculum ensuring students have a clear understanding of their 'next steps'.
- An alternative pathway for Vocational Key Stage 4 learners providing high quality Vocational provision.
- An extended day for Year 11 and Year 13 students to 5pm Monday - Thursday.
- A 'High Performers' programme to boost student aspirations, independence and career prospects.
- An extensive Co-Curricular programme helping ensure the development of the 'whole' student.
- A Chelsea FC Girls' Sixth Form Football Academy which boasts over 30 girls and fields two teams who compete in both the National Football Youth League and the English Colleges South Premier League.
- A comprehensive Easter revision programme for students in Years 11 and 13.
- Significant investment in the school's site and infrastructure, totalling over £1 million.
- An extra fortnight's holiday with a two week October half term and a seven week summer holiday.
- A strategic goal prioritising staff well-being, including the appointment of a whole school well-being lead.

In 2019, Blenheim was characterised as a 'good' school following a Section 5 Ofsted inspection. Please [click here](#) to read the Ofsted Report. Ofsted commented that the vast majority of the school's previous weaknesses had been rectified and that the school now had excellent capacity to continue improving. The Headteacher, Mr A A Bodell, has made a long term commitment to Blenheim.

Blenheim converted to Academy Status in March 2012 and has developed many community and primary school links. Blenheim is a well-resourced school and is fortunate to have outstanding facilities including modern buildings, large grounds, an AstroTurf pitch, bespoke sixth form facilities and grass football and rugby pitches. The school has a significant capital reserve with complete autonomy to invest. Together with a very supportive and well qualified governing body the school has invested significantly in several areas, not least in the appointment of high-quality practitioners and site infrastructure. Visitors now comment on the calm, purposeful learning environment that pervades. Blenheim has an iPad for learning scheme through which 98% of students own an iPad. Naturally, teaching staff need to be willing to engage with new technologies and to want to develop their pedagogy.

BLENHEIM GCSE RESULTS

Blenheim's 2021 GCSE results involved all students receiving centre awarded grades, whilst 2018 and 2019 saw a significant increase in Blenheim's GCSE results. A combination of well-researched teaching and learning practices, rhythmical assessment and feedback, frequent reporting, well - timed interventions and consistent monitoring of student performance has led to increases in almost all areas of GCSE performance. This improved performance compares favourably with both Blenheim's 2016 & 2017 GCSE results and 2018 & 19 National GCSE results.

In 2017, apart from Maths and English, grades were attributed A* - G grades with A* - C being considered 'higher' grades or passes. By 2019, all subjects (bar a minority) were attributed 9 – 1 grades with 9 – 4 being considered 'higher' grades or passes.
