

MFL FACULTY

The MFL Faculty team currently has five full-time teachers and one part-time teacher plus an attached cover supervisor. We are housed in four spacious classrooms in West Block and one in Main Block, all of which have been extensively modernised in recent years. The successful candidate will have their own classroom although it is possible that they will teach in another room in the school when time-tabling necessitates.

All pupils learn French in Key Stage 3. In Year 7 they follow a mixture of Expo 1 and a SoW that we have written especially for the year group. Year 8 pupils follow Expo 2 and in Year 9 they follow Expo 3. Year 8 pupils are also able to opt for a beginner's course in German or Spanish in Year 9.

Languages are currently an option at KS4. In addition to French we offer German and Spanish to GCSE level with more than fifty per cent of pupils studying a language in KS4 and we run a popular after-school Latin class.

As a successful and friendly team we have a strong focus on teaching and learning and we look for innovative practice that enhances enjoyment, confidence and success in a foreign language.

Each year we take 90 year 7 pupils to Paris for three days and there are bi-annual trips to Nice and Benalmadena for KS4 pupils.
