

RANELAGH SCHOOL

TEACHER OF GEOGRAPHY

Dear Colleague,

Thank you for your interest in the post of Teacher of Geography at Ranelagh School. In this letter, we aim to provide you with some further insight into our school and our priorities.

Our school has an excellent reputation at local and national level. The last inspection by Ofsted in 2024 judged us to be outstanding in all areas. This was our fifth outstanding report and, whilst we are very proud of this achievement, we are in no way complacent.

In addition to excellence in terms of academic outcomes, our purpose is to provide a supportive, stimulating and secure environment in which young people can thrive. As such, we seek to employ inspirational and energetic staff, committed to the school's ethos. In return, we aim to provide opportunities for continuing professional growth and development for all staff, beginning with a well-established induction programme.

Given that we spend such a significant proportion of our time in the workplace, it is important to take pride and pleasure in what we do here. Teaching and non-teaching staff collaborate well. They are mindful of one another's well-being and there is a strong sense of collective purpose.

If you are interested in learning more about the role, then please do contact me. If you would like to apply, please submit your application using the form available on our website.

We look forward to hearing from you.

Yours sincerely

Mr Timothy Griffith

GEOGRAPHY DEPARTMENT

Structure and Staffing

The Geography Department currently consists of 4 members of staff. One post is becoming vacant due to the relocation of the current post holder. Curriculum responsibilities are shared, giving all colleagues the opportunity to be involved in the running of the department.

Facilities and Resources

All members of staff are provided with a laptop and the school makes extensive use of Office 365 and Microsoft Teams. The department's accommodation consists of three teaching classrooms. All teaching rooms are fully equipped with interactive touch screens with audio visual capabilities. The department has easy access to many other facilities in the school such as the reprographics centre, additional computer rooms, and other audio-visual equipment.

Curriculum

Key Stage 3:

In all year-groups, classes are taught as mixed-ability forms with a typical class of 27-30 pupils. The department has implemented a curriculum with an emphasis on skills-based learning. There is an emphasis on engagement and inspiration through active learning with personalised tasks leading to greater individual independence, developing the skills required for pupils of all abilities to approach GCSE Geography with confidence. This is in line with the Ranelagh Learner Profile.

Key Stage 4:

All students are taught in mixed-ability classes using the AQA A Syllabus. Approximately 70 - 100 students take Geography each year.

Key Stage 5:

We follow the AQA Geography course, studying Water and Carbon, Coasts and Hazards for the physical paper 1 and Globalisation and Global Governance, Changing Places and Population & Environment for the human paper 2. Currently we carry out fieldwork at Studland for coasts and Windsor for Changing Places. Geography is a popular choice at A level and we currently have 48 students across the two-year groups.

The Department's Teaching and Learning Ethos

We believe that effective Geography teaching uses a range of approaches to support the progress of individual students regardless of learning styles and ability. We seek to provide an environment in our lessons that is enjoyable, instructive and tailored to the needs of learners as individuals, emphasising knowledge, skills, processes, pace and challenge throughout. Our aim is to educate our children to be confident, self-reliant, interested and knowledgeable in Geography, and to use these skills in their study of all subjects and their future ambitions.

Subject Teacher's Responsibilities

The person appointed will be expected to assist the Curriculum Leader in ensuring that high standards of learning and achievement are attained in Geography and that school policies are implemented.

- 1 To support and implement the initiatives agreed by the department and the school.
- 2 To encourage and enable all students to achieve the highest standards of learning possible by:
 - setting and sharing clear aims, goals and objectives;
 - planning, conducting, reviewing and evaluating learning experiences with particular regard to continuity and progression;
 - making sure the learning environment in the teaching space is stimulating, well organised, attractive, safe and secure;
 - providing effective feedback which promotes high expectations and progress enables all students to make progress;
 - ensuring that the best possible quality resources are used;
 - ensuring that a variety of teaching methods and styles are deployed;
 - making sure that all students have an equal opportunity to succeed;
 - undertaking accurate, relevant and regular assessment, recording and reporting of achievements.
- 3 To work with the department in developing relevant schemes of work and in implementing the national curriculum.
- 4 To undertake cross subject/cross curricular investigations as appropriate.
- 5 To take a positive attitude towards professional development.
- 6 To contribute to the department/school's curriculum enrichment programme for students.
- 7 To undertake specific responsibilities in the Department as agreed with the Curriculum Leader.
- 8 To undertake the general responsibilities of all staff.
- 9 To undertake the responsibilities of a form tutor.

Ranelagh School Vision

'Though we are many, we are one body.'

[Eucharistic Prayer, Common Worship]

Following the ministry of Jesus, we empower all to use their gifts in faithful service. We inspire and encourage each individual to develop and nurture unique skills, interests and talents, in order that they can flourish. Our school is a unifying heartbeat, enabling everyone to feel welcomed and valued as members of our community.

Context

We draw students from over forty primary schools spread over a diverse geographical area. Some of our young people and their families have experienced worship from a range of Anglican traditions, whilst others practise different denominations and faiths, or hold a wide variety of beliefs, values and ways of looking at the world. Our aim is for Ranelagh to offer a unifying heartbeat. Our vision is rooted in the example of Jesus' ministry – we are all one body, part of one church; we are all known and welcome and our unique skills and attributes are valued.

We endeavour for each individual to be included within our supportive community in which those of all circumstances and contexts are able to learn and work together to experience love, hospitality, service, solidarity, forgiveness and the possibility of new beginnings.

We are unrelenting in our support of each individual, in order that we all might have hope and aspiration for the future. Everyone is enabled to develop their unique skills and talents and to aspire for excellence, being empowered to take responsibility for making wise choices. In order for all students to thrive and excel, we aim to foster confidence and delight in learning through a rich diet of scholastic, practical, cultural and spiritual opportunities.

In addition to encouraging intellectual rigour, we nurture a vibrant and creative environment in which members of the school community are able to work together to seek the wisdom, knowledge, truth, understanding and skills which will support all to fulfil Jesus' promise of life in all its fullness.
