**REQUIRED SEPTEMBER 1ST 2022**

We are looking for a well-qualified, passionate and committed geography teacher, who values continuing professional development, to join our Humanities faculty. This is a superb opportunity to work in a school where the quality of education is outstanding.

The successful candidate will join a team of 4 geography specialists whose results at both G.C.S.E. and A level have consistently been significantly above national averages. Take up at KS4 and KS5 is extremely high, with geography being one of the most popular options at both stages. Fieldwork plays an important role in our provision. Staff are based in rooms adjacent to each other in the Livingstone Building, each one having an interactive whiteboard and projector. The successful candidate will be required to teach geography up to and including G.C.S.E. A level teaching may be available for a suitably experienced candidate.

This post is subject to an enhanced DBS check and is not open to anyone who has been barred in any way from working with children.

Visits to the school prior to application are welcome. Please use the contact details below.
