

Geography department - Information

Geography is an experienced and successful department in which students make good progress. We have a comprehensive bank of lessons and resources to support the delivery of our curriculum. Colleagues work successfully and collaboratively together to develop, improve and update resources on a regular basis. Our curriculum is delivered through topics that cover physical, social and environmental aspects of Geography whilst developing students' skills, empathy and understanding of key processes.

We currently teach AQA GCSE Geography and regularly have 5 classes in both Year 10 and Year 11. The successful candidate would be expected to teach Key Stage 3 and Key Stage 4 classes.

The department run a number of field trips each year for both Key Stage 3 and Key Stage 4 students. The successful candidate would be expected to contribute to the success of the fieldtrip programme that we currently offer. The department are also running another trip to Iceland in the Autumn of 2026.

We are looking for a team player who is prepared to positively contribute and bring ideas to the team. Oakwood School has an extensive ECT programme of support and members of the department have been/are ECT mentors and assessors.
