

HAYES SCHOOL

GEOGRAPHY TEACHER

Candidate Pack

Required for end of February 2026
Full Time/Part time Maternity Cover
Main/Upper Pay Range (Outer London)

We are looking to recruit a full-time/part time qualified teacher of Geography to join our Humanities Department within our outstanding school. If you have a passion for Geography you will be joining like-minded colleagues who inspire and encourage students of all abilities to enjoy and achieve in the subject.

Geography is one of our most popular subjects at GCSE and A-Level and a significant number of students continue to study Geography at university. The successful candidate will have the ability to teach, motivate and inspire students across all key stages.

Our school benefits from and actively contributes to a range of partnerships and we are the lead school for the Bromley Schools' Collegiate, a School Centred Initial Teacher Training (SCITT) provider for primary and secondary teacher training.

Hayes School is a high achieving, oversubscribed school, which provides excellent education for its students as well as exciting opportunities for professional and career development for staff. The school benefits from its proximity to central London and excellent transport links whilst bordering the beautiful Kent countryside.

"Pupils enjoy school and achieve highly." (Ofsted)

"The curriculum is especially well throughout." (Ofsted)

"All who work in the school understand and share these values. This is the Hayes Way" (Ofsted)

We can offer:

- Motivated students with outstanding attitudes to learning.
- Outstanding student behaviour.
- Excellent facilities for staff, including an on-site fitness suite.
- An excellent induction and support programme for new staff.
- An employee Assistance Programme and flu vaccination.
- Innovative approaches to Teacher Professional Development.
- Opportunities to work with other schools through established partnerships.
- A friendly working environment.

Closing Date: **Monday 05th January 2026 (9.00am)**

We reserve the right to close this vacancy early if we receive sufficient applications for the role. Therefore, if you are interested, please submit your application as early as possible

Interviews Date: **To be confirmed**

Please send your completed application form and covering letter to vacancies@hayes.bromley.sch.uk. If you require any additional information or have any questions, please contact Karolina Kedziora, HR Officer at kmk@hayes.bromley.sch.uk.

We are committed to equality of opportunity for all our staff. We particularly welcome applicants from ethnic minority backgrounds as they are currently under-represented on our staff body. We recognise the vital contribution that members of a diverse team make to our students' learning. The range of cultural experiences, differing viewpoints and role models this brings is essential in our Trust and we recognise the gap that would be left in our offering without these.

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Therefore, the successful applicant will be subject to Enhanced Disclosure and Barring Service check.

WELCOME FROM THE HEAD OF SCHOOL

Hayes is a happy, welcoming school where together we strive for excellence in everything we do. At Hayes, we offer an exceptional range of experiences and opportunities—many of which are rare to find in a state school. We believe that the memories and relationships formed through trips, clubs, and shared experiences are often what stay with students and staff the longest—and they enrich our lives in powerful, lasting ways. Through the “Hayes Way,” we show our deep commitment to personal development: to helping young people build character and become the very best version of themselves.

At the heart of this commitment are two simple but powerful questions that guide our staff’s work with your children:

- [Would this school be good enough for my child?](#)
- [Would I like to work with a colleague like me?](#)

I believe that hard work gives us purpose and unlocks success. It’s through this shared sense of endeavour that our students go on to achieve grades they can be proud of—and, more importantly, the future they deserve.

I’m incredibly proud to lead Hayes—a school rated *Outstanding* by Ofsted in 2022 and recognised with the *World Class Schools Quality Mark*—and I very much hope to read your application.

ABOUT HAYES SCHOOL

Our School

Hayes School is a high achieving, oversubscribed and well-disciplined 11-18 co-educational school with excellent accommodation and facilities set in very attractive grounds. We provide an outstanding education for our students as well as exciting opportunities for professional and career development for staff. Our 1700 students have a desire to succeed and to learn displaying excellent attitudes and behaviour. Relationships between students and staff are very good and staff enjoy opportunities to lead and participate in a wide range of extra-curricular activities and trips. (There are over 80 clubs and over 100 trips take place every year)

In September 2022, Hayes School was judged Outstanding by Ofsted:

- "It is clear that Hayes School provides all pupils with an exceptional experience."
- "Pupils behave extremely well. They are polite, respectful of others and have excellent professional relationships with their peers and teachers".
- "Leaders and teachers have developed a consistent approach to their work in the classroom".
- "A great deal of emphasis is given to ensuring that teachers are experts in their subjects".
- "Staff were especially positive about the way their wellbeing and workload is considered by leaders".

Attainment and progress are high and above local and national averages. In 2025, students achieved considerable academic success in GCSE, A level, vocational and L1/2 qualifications. 81% of GCSE students achieved at least a Grade 4 in English and Maths, and 1 in 3 grades were Grade 7-9 with student making excellent progress across a range of subjects/courses. In Year 13, 28% of all A-Level grades were at A*-A and over 60% of all grades were an A*-B. Our average A-level and Vocational grades were a B- and Distinction- respectively.

Our Sixth Form of 500 students is heavily oversubscribed and successful. "The Sixth Form curriculum meets the needs of all students and includes a range of academic and vocational qualifications (Ofsted 2022)."

However, Hayes is not complacent. We have a relentless commitment to improvement. We judge everything we do by the standard "would this be good enough for my child?" All staff go the extra mile to provide challenge, support and opportunities for every child.

We are very proud of our school, of the opportunities we provide, and of our role in the community. We strive to build on our success creating an environment where each individual is valued: an environment that fosters acceptance and compassion, vibrant, caring relationships, life-long learning skills and a strong sense of moral purpose.

Our Facilities

Hayes School benefits from a beautiful campus comprising green spaces, trees and a variety of purpose-built teaching blocks. The School offers exceptional educational facilities, which are continually being maintained,

extended and developed. We have a recently installed a purpose-built fitness suite for use by students and staff and a new, refurbished staff room.

Partnerships with local sporting clubs, Ealing Trailfinders RFC and Brunel University support our academy programmes and provide students and staff with access to high quality coaching and expertise.

Our arts provision in art, music, dance and drama is outstanding – students excel and benefit from high quality teaching and a wide range of opportunity.

All teachers and students have access to ICT to enhance teaching and learning.

The school benefits from:

- Staff laptops
- Brand new touch screen interactive panels in every classroom
- A significant number of networked computer suites across the school
- Media and photography equipment including digital stills, video cameras, studio and dark room
- Industry standard machinery including laser cutters, 3D printers and CAD/CAM equipment
- State of the art audio-visual equipment to support high quality performances
- A high speed wireless network across the campus
- An on-site Fitness Suite available for staff use

Our students

Our students are a delight to work with. They are kind, caring and supportive of each other. We have “uncompromising aspirations” for all and encourage our young people to aim high and to live our motto “Excellence through Endeavour.” Hayes students want to do well and recognise that they need to work hard to achieve their own personal ambitions. The “Hayes Way” enables all students to demonstrate the behaviours for learning we expect and supports us in sustaining an environment where all are respected and can be safe, happy and successful.

We recognise our responsibility to prepare students for life beyond school and place equal emphasis on the development of skills and attributes as we do success in public examinations. ‘The Hayes Learner’ promotes reflective, creative, communicative, independent and collaborative students and at their heart, we expect our students to be kind, respectful, responsible, tolerant and proud.

We have a well-developed pastoral system and staff genuinely care about our students as individuals. We encourage students to participate in school life and to lead our school. There are countless opportunities to volunteer, mentor other students and participate in extra-curricular clubs, activities and educational trips and visits.

Our staff

We recognise and value the skills, knowledge and expertise of all our staff and are committed to supporting their professional development. Our newly launched Teacher Professional Growth programme supports teacher professional development within ‘teaching and learning communities’ as we model our commitment to lifelong learning to the students we teach. In this respect, we balance the needs of the school with those of the individual. Teaching and leadership development programmes are delivered in-house and there are opportunities to mentor and support trainee and early career teachers, or to participate in coaching programmes.

An induction programme, staff buddies and an active staff committee all contribute to helping staff new to the

school to find their feet. All staff are willing to share expertise, resources and ideas and are a great source of support.

We are committed to working in partnership with other schools, both within and outside our Trust. We encourage and support further learning and research and there are opportunities for specialist career progression and to work with and support other schools through networks and partnerships.

Staff regularly go the extra mile at Hayes to support students and to give their time to the broad extra-curricular programme, which includes sports, music, drama and a host of trips, exchanges, clubs and other activities.

We are a friendly team of teachers and associate (support) staff and look forward to welcoming you to our school.

The Impact Multi Academy Trust

Hayes School joined with Ravens Wood School in April 2017 to form the Impact Multi Academy Trust.

In September 2022, our trust merged with Langley Park Learning Trust to form a new trust of seven schools (Clare House Primary School, Hawes Down Primary School, Hayes School, Langley Park Primary School, Langley Park School for Boys, Langley Park School for Girls and Ravens Wood School). This year, we have added an eighth successful school to our trust with the inclusion of Darrick Wood Secondary School.

It is rare to see two high performing, like-minded trusts come together in the interests of providing better and more sustainable education and care for all of the children in their schools and community, but we believe this is what the Impact Multi Academy Trust is.

Our schools are popular and high performing, serving the same community. They are also driven by a commitment to improving even further to deliver the very best education, care and life chances for all children. We are driven by educational and moral purpose as well as enlightened self-interest. We want all schools within the Trust to retain their identity and compete, but also to collaborate to provide an outstanding educational experience that impacts on the life chances of all students. This is reflected in our Trust vision, mission and values.

There is an African proverb "If you want to travel fast travel alone. If you want to travel far travel together." Together in collaboration, we will build on the strengths of all schools, address those areas that could and should be improved further, and travel both fast and far in the interests of all our students.

Working within a trust provides opportunities for support from a network of teachers and support staff across all our schools.

What do parents say about Hayes School?

"Hayes School produces wonderful young people"

"The school encourages the students to achieve the best they can, to reach their potential."

"My children are comfortable and relaxed at school with great friends. They respect their teachers and enjoy their day. They never complain or moan about school. We are extremely happy with Hayes School."

"I have been so impressed and grateful for the dedication shown by teachers to enable my son to achieve the best that he can."

"Strong leadership and management starts from the top and filters throughout the whole school."

"The school has a family feel about it."

"Hayes is an outstanding school that doesn't rest on its laurels. The school continues to strive to do better."

"The leaders are regularly seen around the school talking to students which I think is great to see."

"I believe you have created a school environment which is what a school should be. Happy, safe, that allows students to be the best they can be and celebrates them for who they are."

"The support my child has received both pastorally and academically has been brilliant. The teaching is fantastic and the good behaviour of students is maintained."

"A huge range of opportunities and leadership activities is offered to children and they receive recognition for this."

"Hayes has built a reputation that is the envy of many other schools. As parents, we are very grateful that our children attend Hayes, as this will stand them in good stead for their futures."

"Hayes as a place is a fantastic community and this school is at the heart of it."

What do staff say about working at Hayes School?

"Since starting at Hayes, it has been clear that Teaching and Learning is at the very heart of everything at the school. I feel very supported here at Hayes, especially in developing teaching and learning practice."

"Students are incredibly dedicated and hardworking and are always pushing themselves to do their best. Working with students that are proactive, marvellously polite, well-mannered, and with high goals, is a really exceptional experience."

"The organisation and effective set up of whole-school procedures make Hayes School both a fulfilling and straight forward place at which to work."

"When I look back at my time at Hayes so far, it's very rewarding to see how I've progressed professionally. Every year I have been encouraged to, and have taken on responsibilities that I never thought I could do when I began teaching here."

"Academic success is central to the vision and aims of the school, but this is not at the detriment of the absolute commitment to the development of the whole child. The pastoral support, the ACTIVE (PSHE) curriculum and the extra-curricular opportunities are truly outstanding."

"Staff are highly motivated, committed to excellence and are always willing to support each other."

"Hayes is a true community school, which everyone is proud to be part of. I feel very much a valued member of a vibrant team working here."

"Hayes School is the kind of school you wished you could have attended as a child. The possibilities and opportunities are endless!"

THE GEOGRAPHY DEPARTMENT

Geography is a subject that inspires a lifelong interest and curiosity about our world. As a department, we believe that Geography is an essential ingredient in the development of our students as global citizens. In an age where our world is becoming a single global society, understanding and appreciation of this world is now more important than ever before. We want our students to be prepared for the world within which they will work and to be provided with information that will allow them to make informed decisions as global citizens.

Our curriculum is far more than lists of content, rather specific topics chosen to really broaden the mind-set of our students and teach beyond the specification, allowing time for regular retrieval and application of prior knowledge, which enriches and broadens students' long-term memory.

Geography lessons allow students to develop the idea of what it is to be a 'Hayes Learner' by partaking in group work. Collecting data in the field or communicating their opinion to others while respectfully listening to others. We expose our students to excellence through attending A Level conferences by Geographers in the field, as well as working with numerous organisations such as the Geographical Association and the Royal Geographical Association.

The Geography department is well established and comprises a team of seven forward-looking Geographers. The subject is popular with students and take up at GCSE and Advanced level is excellent. Geography is our most popular option subject at GCSE with 150 students opting to study it and over 100 students at A Level. A significant number of A-Level students this year are applying to university to study Geography or related subjects.

The Edexcel B syllabus is followed at GCSE and Advanced level and results are consistently high. In 2025, 32.6% of grades at GCSE were 7-9 and 83% of all GCSE entries were awarded a Grade 4 or better. Students attained 66.7% A*-B and 87% A*-C grades at A-Level this summer in public examinations. Fieldwork is secure and well supported and includes residential work in addition to day visits in all years.

The Department has well-resourced specialist Geography rooms and there are excellent opportunities to develop work associated with interactive whiteboards, IT, flexible learning strategies and environmental issues.

All in the department are committed to working collaboratively and sharing resources and best practice.

We are looking for a colleague who is capable of sustaining and building on our success and taking us further forward. An interest in fieldwork and IT is essential. The post offers an excellent opportunity for career development and job satisfaction.

Testimonial from Joe Brockman who joined the department in September 2019 as a NQT:

I really enjoyed my start at Hayes. I joined an extremely experienced and supportive department who were all willing to share ideas. I found the whole staff team incredibly friendly and approachable, which creates a positive and motivating environment for students. Regular CPD sessions support the teaching and learning drive at the heart of the school. With the teaching and learning aspect of education being an interest of mine, I feel I have benefitted from this, especially the specific 'Building Teaching Power' course designed for NQTs. I found this an important time to take a step back from the classroom and really reflect on my own practice, whilst sharing ideas with others. A variety of courses are available for individual needs.

The Hayes Learner initiative is designed to shape pupils and equip them with key attributes, and this is apparent during lessons and around school. The students are, on the whole, proactive, engaged and willing learners. They benefit from the broad, topical and creative curriculum the geography department offers. As such, the subject is an extremely popular choice for GCSE and A-Level.

I have also really benefitted from the support network and opportunities within the school. I am involved with extra-curricular and manage an Yr7 and 8 football team with the help of the PE department. I have also had the opportunity to go to Iceland on a fieldtrip as well as other school trips including the Somme with the History department. Since joining the school I have been appointed to the role for Achievement Co-ordinator (Head of Year)

When looking for schools to apply for, Hayes was one I had identified before a job advert was posted. I am glad I made this decision when a job became available. As an NQT I feel incredibly supported day to day from all staff, including my mentor and NQT leader.

Application Procedure

- 1) Carefully read all the information about this post.
- 2) Complete the application form as fully as possible. You must use the school application form. If there is insufficient room on any section of the form, please provide the additional information on a separate sheet.
- 3) In section 'details in support of your application' please tell us:
 - a) Why you are applying for this post.
 - b) How your experience, skills, training and/or qualifications equip you for this position and specifically how you meet the person specification and requirements of the job description.

Early applications are encouraged and we reserve the right to close the vacancy early if a suitable candidate is found.

Appointment Process

- 1) Suitable applicants will be shortlisted for an interview.
- 2) If successful, you will receive either an email or phone call inviting you to attend an interview. It is therefore important that you give us a daytime telephone number and email address.
- 3) Candidates called to an interview will:
 - a) Be given a tour of the school.
 - b) Have an opportunity to meet with members of the department.
