

Vision Statement

Beverley High School - inspiring individuals with a love of learning

- will develop individuals to be independent, confident, well-educated, happy and successful
- will develop individuals to be responsible citizens committed to making a positive contribution to society
- will equip students and staff with skills and qualifications to enable them to maximise their potential, achieve the best possible outcomes and be well prepared for the future
- will value, encourage and support individuals and celebrate their successes
- will provide a modern, appropriate and relevant curriculum in order to meet individual need
- will provide experiences which are positive, enjoyable, enriching and memorable
- will be a welcoming, friendly and cohesive environment in which all members of its community are unified in feeling proud of its collective achievements
- will have an ethos of respect, enthusiasm, self-motivation and success
- will be well respected in the local community and beyond, being the school of choice for parents, students and staff
