March 2021

Dear Colleague

Teacher of Geography

Thank you for requesting details of our vacancy. We appreciate your interest in us and hope you find the details will inspire you to apply by 9.00am on 19th April 2021. Chenderit School is at an exciting point in its development with ambitious plans and targets in place for the next few years. We wish to appoint a colleague who will inspire our students, be an exciting and hardworking team member, and will be ambitious to be part of a school community which is challenging itself to become one of the best comprehensive schools in the country. At Chenderit we value professional development and actively support exciting and stimulating projects which enhance the capacity of our teachers. Our hope is that colleagues in the Chenderit team will look back on the next few years of development here as the most exciting and rewarding parts of their career.

This is a rewarding school in which to work because of the combination of the professionalism of our staff, the support of our parents and the Governing Body and the attitudes of our students – not to mention our facilities and general environment for learning. We are a good school, even a great school in many respects, but we want to be an outstanding school with national recognition for excellence in all areas. To achieve this we need to instil even greater ambition, self-belief and resilience in our students and provide them with even broader and more relevant educational experiences. Our students are wonderful young adults, very sociable and personable – but they could do more! We have the confidence as a school to say that we can be even better and that we will be even better. Through this journey, our teachers are fully supported and trained to maximise their potential, being the best we can be. Every new member of staff will be given many opportunities to shine and move forward in their career. I do not expect this post holder to simply join our team – I expect them to enhance our team.
