"WORKING TOGETHER FOR THE BEST IN EVERYONE"

Welcome

Dear Candidate,

I am delighted that you have shown an interest in our Teacher of Geography vacancy here at Co-op Academy North Manchester.

Co-op Academy North Manchester's vision is 'Together we have the highest aspirations and expectations so that everyone achieves excellence in all they do and are equipped to lead happy and successful lives.' The vision and values of the academy and those of Co-op Academies Trust are at the heart of all that we seek to achieve and are evident throughout the school.

You will be joining us at an exciting time as the academy enters a period of growth. Together we have been really successful but now we need to increase our Teaching capacity so that we can secure an even better future for our pupils, staff and wider community.

Here at Co-op Academy North Manchester, we take time to know our pupils and have the highest expectations and aspirations for them. Our pupils are polite and courteous and excellent relationships are at the heart of our success. The academy prides itself on offering a rich curriculum that includes an extensive range of extra-curricular activities and clubs for all pupils which promotes their understanding of the world in which they live and the difference that they can make within it. Our Safeguarding/PSHE/SMSC and Careers curriculum is a strength of the academy and pupils develop a range of skills that enable them to be confident to be who they want to be.

Strong leadership has been at the heart of our success. Our leaders are committed and reflective individuals who are themselves empowered, but who also have the ability to both inspire and empower others to realise our academy's vision. We understand and implement the Co-op Ways of Being of: 'succeed together', 'show you care', 'be yourself always' and 'do what matters most', understanding the unique importance of each as well as how they must be implemented together to ensure that success is achieved in the 'right' way.

We do hope that once you have read the information provided in this pack, you are excited by the prospect of joining us and are keen to be a part of our next chapter. A recruitment and retention package may be available for a suitably skilled and experienced candidate.

Curriculum

"Positive relationships extend to lessons, where pupils are confident to ask questions, express views and read aloud."

Ofsted 2019

The curriculum at Co-op North Manchester is designed to ensure that pupils receive an excellent education. The curriculum is broad and balanced to give pupils the opportunity to explore a range of subjects over the course of a 3 year KS3 before specialising in KS4. It is our belief that each subject discipline offers valuable knowledge, skills and experiences that are unique to it and all of our pupils are entitled to access to this. All subjects are taught by subject experts who have a clear understanding of what pupils need to know, understand and be able to do to make progress in their subject. Subjects are delivered with high levels of authenticity and subject leaders focus on what it means to be an expert in their subject before providing opportunities for pupils to develop in this way. As a specific part of our curriculum pupils in year 7 and 8 follow our reading curriculum which is time dedicated for them to read, be read to and develop a love of reading. Pupils are given the opportunity to read full novels, develop their fluency and vocabulary.

Vice Principal Quality of Education

Learning Outside the Classroom

Leaders plan an extensive range of extra-curricular activities and clubs for pupils. These comprehensively cater for pupils' wider academic, cultural, artistic and sporting interests. As a result, pupils, including disadvantaged pupils and those with special educational needs and/or disabilities (SEND), regularly participate in the activities provided"

Here at Co-op Academy North Manchester we believe that Home Learning enhances pupil learning by increasing fluency and independence. Home Learning is carefully planned and as such is an integral part of the curriculum. Home Learning supports pupils in developing detailed knowledge and skills. Similarly our remote education offer given to pupils is demanding and match the aims of the in-class curriculum. We also offer a large number of extra-curricular clubs, trips and visits that pupils can be involved in over the course of the year. There are clubs which are directly related to subjects that pupils study, and those which are not. The variety on offer makes sure that the interests and needs of all our pupils are catered for.

The Geography department aims to provide pupils with the knowledge and critical thinking skills required to understand their local and wider world covering key themes such as climate change. We provide students an opportunity to connect to the outdoors through opportunities such as fieldwork, Duke of Edinburgh adventures and orienteering club. Our teaching aims to ensure pupils have a deep understanding of key concepts and students can apply them to a broad range of contexts.

Safeguarding

“A strong culture of safeguarding exists throughout the school. Pupils say that staff know them and care about their well-being”

Ofsted 2019

We take safeguarding very seriously at Co-op Academy North Manchester and it is important to us that all pupils feel happy and safe in and out of school. We have a large team who are trained in all aspects of safeguarding and we have a comprehensive continuing professional development package to ensure we are always up to date and current. I am often asked by people what the challenges of being a safeguarding lead in an inner city secondary school are but I always remind people that in our school, we work to our belief that safeguarding is everyone's responsibility and we work hard together to keep children safe. If you want to work in an environment where no two days are the same but every day is rewarding, then do consider applying.

Mr M Halshaw

Assistant Vice Principal Behaviour & Safeguarding and Designated Safeguarding Lead

Mental Health & Wellbeing

“Bullying records show that incidents of bullying are followed up and resolved effectively.”

“Pupils are taught how to keep themselves safe from the risks of exploitation, including when using social media”

Ofsted 2019

We have always been at the forefront of looking after both pupil and staff mental health and wellbeing and we have extended this even further in recent years. We have a range of workload and wellbeing strategies, ways of working which keep us connected as well as a very strong employee assistance offer. Here at Co-op Academy North Manchester, we value the individual and ensure that we have access to counselling services, our resident EP as well as lots of events such as Time to Talk, our Mile Walk and other therapeutic services which benefit pupils in many ways. We are really proud of our mental health and wellbeing offer. If you believe, as we do, that mental health and a strong sense of identity and community is as important as academic success or physical health, then we'd love to hear from you.

Mrs S Fiddler

Assistant Vice Principal Behaviour & Community

Behaviour and Attendance

“Pupils enjoy school, attend regularly and learn well”

“The actions of leaders to improve the attendance of pupils, which was previously extremely low and a major factor contributing to their weak progress, is now consistently good”

Ofsted 2019

The tools for strong attitudes to learning such as resilience, confidence and self-esteem are encouraged and developed as part of Co-op Academy North Manchester's curriculum. As a Maths teacher myself, I find my time in the classroom stimulating and rewarding. The strength and quality of relationships, underpinned by the respect and trust between staff and pupils ensures that teaching at the academy is an extremely enjoyable experience. We work hard to instil high levels of engagement in the classroom and are committed to ensuring that pupils are challenged if we think they could improve. The academy needs staff who are committed to bringing out the best in our pupils and who will have the highest of expectations of them; if that's you, then please get in touch.

Wellbeing

Wellbeing is articulated in the cornerstone of our vision in terms of everyone leading 'happy and successful' lives but we also recognise that a 'one size fits all' approach is not appropriate. What would be useful for one person may not be what another needs in order to feel happy and confident. We respect each other, our environment and ourselves and our wellbeing offer underpins that commitment. To ensure the Academy is a healthy and safe place to be means that our wellbeing offer is varied, personalised and changes dependent on the needs of the people in the organisation at any one time.

Examples of some of the approaches we use to support mental health and happiness:

- ⇒ Time to talk
- ⇒ Access to counselling service
- ⇒ Mile walk
- ⇒ Mindfulness
- ⇒ Free tea and coffee
- ⇒ Policies contributed to by staff
- ⇒ Your Voice Survey
- ⇒ Our commitment to a values led organisation
- ⇒ An extensive extra curricular offer
- ⇒ CPD programme
- ⇒ Workshops on identity, diversity and community
- ⇒ Parent support for issues such as e-safety, self-harm and self esteem

- The CSLE programme - the Co-operative Senior Leadership in Education programme
- NPQSL
- Job shadowing and working with those we host on leadership residencies
- Weekly Middle Leader training and contribution to leading elements of these

Leadership Development

At Co-op Academy North Manchester, all staff, are encouraged to lead in a variety of ways. Leading some, part or even a whole of one of the experiences listed allows you to:

- Work with pupils whom you may not necessarily teach
- Build strong relationships
- Collaborate with staff in different subjects and roles across the Academy
- Be an important part of providing the rounded education at the heart of our vision and values.

Being committed to leading in the classroom is one thing, investing time in pupils beyond that to develop them as leaders is extraordinarily powerful.

Take a look at our 52 ways you can lead on the next page. There are many, many more and we are always open to new ideas and approaches.

Our 52 suggestions are just that but they do allow us to work across the pastoral and academic spectrums and work with young people as the whole child. It's also what pupils remember when they leave and ask for more of when they talk to us in 5 a day.
