Are you an outstanding Geography specialist who is committed to high achievement for all?

Would you like to join an energetic, dynamic and highly successful Humanities faculty?

We are looking for a well-qualified, passionate and committed geography teacher, who is keen to continue to develop professionally, to join our Humanities faculty. This is a superb opportunity for an Early Career Entry teacher to begin their career in an outstanding Humanities team. The post is also suitable for a more experienced practitioner.

The successful candidate will be required to teach geography up to and including A Level. Results at G.C.S.E. and A level have consistently been significantly above national averages. Take up at KS4 and KS5 is extremely high.

The faculty has a strong team ethos and is well resourced and highly organised. Staff are based in rooms adjacent to each other in Livingstone Building, each one having an interactive whiteboard and projector.

This post is subject to a DBS check and is not suitable for anyone who has been barred in any way from working with children.
