Bohunt Worthing Headteacher: Mr A Whitehead BSc (Hons)

January 2021

Dear Candidate

Re: Teacher of Geography at Bohunt School Worthing

Thank you for your interest in Bohunt School Worthing (BSW). We are seeking a charismatic and driven individual who will contribute to the further development of the school. You will have the opportunity to join a school judged good in all four categories by Ofsted with clear achievable pointers on how to become outstanding and which also has two excellent sets of GCSE results under its belt. If you are passionate about learning, are confident you can meet the challenges of establishing and delivering innovative education and developing a similar passion in others then I would encourage and welcome your application.

Since opening, 5 years ago in state of the art facilities, we have made excellent appointments across our highly motivated teaching team, who have keenly seized the opportunity to build from scratch and consider doing things differently. My most important priority is getting the best staff appointed and potential is as important as experience. Successful candidates will have the ability to innovate, need to understand how to motivate young people, be able to take initiative and have a genuine commitment to supporting the personal and social development of pupils. In turn we will provide a supportive learning environment, offer you the opportunity to make a difference and actively promote your career development. All staff receive a laptop and iPad and new entrants to the profession will receive a **bonus payment of £1500** in term four of employment following successful completion of their NQT year.

This is an exciting time to be joining the Bohunt Education Trust (BET), which currently comprises eight secondary schools. Our Worthing school features various innovations in learning environments and technology that have been pioneered within the trust: dynamic learning environments, the use of ICT to transform learning including our 1-2-1 iPad scheme, a huge extra-curricular offer, research led interventions and excellent specialist facilities. The trust has a proven track record of offering exceptional opportunities to develop your skills and career progression, to make a difference and work within a team committed to raising very high standards further.

Applying for a new job can come with many questions and we are happy to organise informal zoom discussions to support your decision making. Applications are being handled through our school office; please contact Nathan Shaw (nshaw@bohuntworthing.com) who leads the department with any specific subject queries or Lisa Day on 01903 601361, or by email recruitment@bohuntworthing.com with any general queries and for application returns. At this time of lockdown we recognise that getting a real sense of our school is more challenging. As well as our website please make use of the following open evening link to understand our ethos, our people and our facilities better <https://www.openevening.bohuntworthing.com/>.

If you are interested in the role, please complete the teaching application form via the TES website. Please ensure that all periods not in education, employment or training are explained. Your supporting statement should be no longer than two sides of A4. It is your opportunity to tell us a little bit about your personal philosophy of education, why you are attracted to this post, the skills you will bring and any other details which you think are relevant.

Finally, I look forward to receiving your application should you decide that you wish to contribute to the development of Bohunt School Worthing.

With very best wishes

Adam Whitehead
