Permanent, full time or part time considered

Salary: MPS1 – UPS3 (£25,714 - £41,604)

We are looking for an enthusiastic Humanities teacher who can teach across KS3 and KS4. We deliver these subjects discretely but have some flexibility on the timetable to accommodate any specialism. This role is open to Newly Qualified Teachers or those with more experience. The most important criteria for us is that you support our vision of “succeed and thrive” for all students; that you are willing to create an excellent climate for learning where students develop academic success, alongside a confidence and love of the subject.

John Taylor Multi Academy Trust (JTMAT) believes in the power of education to improve lives – and the world. As a partner school in JTMAT, we are seeking to appoint an enthusiastic, dynamic teacher to join our evolving organisation. We welcome applications from those people who want to work flexibly or if you are looking for a full-time role.

John Taylor Free School at Tatenhill is a “young” school which opened in September 2018 with a full cohort of 210 Year 7 students. We are in the fortunate position of being oversubscribed for the first three years. From September 2021 we will have 930 students in years 7-10. The school will continue to grow until it reaches capacity with 1550 11 – 18-year-old students (including 350 at Post 16).

If you are excited about the prospect of joining a new school with a distinctive educational philosophy, we would like to hear from you. With our first cohort of KS4 students in 2021, you will play a vital role in shaping our GCSE provision. As a member of staff, you will be part of securing the vision of “succeed and thrive” for all members of our community. You will be prepared to be flexible, adaptable and dependable – you are willing to go above and beyond to help our students be outstanding learners and responsible young people.

If you have a passion for excellence and share our vision, we can offer you the opportunity to be part of a successful and progressive Trust, which is committed to ensuring learning is at the heart of all we do. As a part of the National Forest Teaching School Alliance and working with The Staffordshire Research School at John Taylor we will focus on your development, whatever stage you are at in your career. We dedicate 2 hours every week to professional learning and have a generous non-contact allowance to ensure staff have time to plan collaboratively, read and learn from each other. As a research informed school with a coaching for excellence model, we want you to succeed and thrive too.

Please note CV's are not accepted. Only fully completed application forms are to be submitted for shortlisting.
