# Department Overview

## **GEOGRAPHY**

The Geography Department is a well-respected and forward-looking department that has been popular and successful for many years in delivering an exciting curriculum across the key stages. It is made up of a staff of seven including a Team Leader, Assistant Team Leader and five specialist teachers of Geography. The Geography department is based in the Pavilion building (part of the expansion of the secondary campus) where there are six designated Geography rooms all equipped with the latest technology.

We are allocated 4 hours a fortnight for Geography at KS3, 6 hours for KS4 (AQA) and 10 hours at A-level (Edexcel) where the teaching is shared between two teachers. There is a strong tradition of collaboration within the department matched to some freedom in the preparation of individual lessons for the specific groups that we teach.

Geography is a popular option with around 300 students from a huge range of backgrounds and abilities currently studying the subject at GCSE. The department has a proven track record of academic success and results have been consistently above the national average for Geography (34% 9-7 in 2018 and 41% in 2019).

At Roundhay there is a strong tradition of A-level Geography with 4 groups currently in KS5 and we have achieved excellent results at A\*-C over a sustained period of time (2019 - 79%). The Edexcel A Level is a dynamic and interesting course and we took students to Iceland in 2010, Italy in 2012, Morocco in 2014 & 2018, and Sicily in 2016.

Fieldwork is important and our curriculum is currently enhanced by a variety of study experiences across all key stages. Year 8 spend time at Tropical World, Year 9 visit the National Coal Mining Museum, Year 10 have trips to the Leeds Riverside, Yorkshire Coast and Peak District National Park. Sixth Form includes a variety of experiences including days in the North York Moors, Lake District and a foreign residential trip.

The Geography department works well as a team and has enjoyed an excellent reputation amongst the staff, pupils and parents alike. All members of the department actively support the general ethos of the school and the sensitivity shown by staff has enabled pupils across the ability range to enjoy their experience of Geography and to succeed in the subject. The school has great tradition of supporting new staff.

The department has grown significantly over the last few years and we need to work hard to maintain the number of groups we have at KS4 and KS5. We are currently focusing on ensuring that the needs of rapidly changing curriculums and frameworks are being met.

# School Overview

## Our Mission Statement

Roundhay School is all about its pupils and we will do 'WHATEVER IT TAKES' to ensure that each one reaches their full potential. We will never put limits on what our pupils can achieve, regardless of background or circumstance. Our focus on developing character, instilling confidence and a love of learning whilst teaching the importance of kindness, manners and respect. We want all our pupils to make a positive contribution to school life and society, continuing to learn and develop for the rest of their lives.

***Always responsible. Always resilient. Always ready to learn. Always Roundhay.***

## Our Pupils

The school population reflects the cosmopolitan nature of modern Leeds. The pupils come from a very wide variety of socio-economic and ethnic backgrounds; more than 27 languages are represented, with around 60% of our pupils drawn from the black and ethnic minorities. This gives the school great strength in its many endeavours and relationships.

***'The atmosphere in lessons is very positive and supportive' ... 'Learning moves at a lively pace'.*** Ofsted

We currently have around 2500 pupils in this 4-18 co-educational community comprehensive school, making it one of the largest within Leeds. Our specialist Dyslexic Base, catering for 16 pupils, our SEN provision and our 500+ strong and very successful Sixth Form (one of the biggest in the region) are just some of our many strengths.

***'Behaviour in lessons is exemplary' ... 'Movement around the school is extremely orderly and students show consideration and respect for each other'.*** Ofsted

In September 2012 we became one of the first 'all-through' schools in the region, growing with a new intake every year. Our first primary cohorts joined up with the secondary aged pupils in September 2019. We have a separate £4.8 million purpose built Primary Campus located just a mile away from the Secondary Campus.

We are proud of examination success at all key stages. At A-Level over 30 subjects are taught and with excellent achievement we find that the majority of our students are able to progress to higher education including students going to Oxford and Cambridge Universities.

We have the highest expectations of every pupil and strive to achieve high standards in all that we do, both academically and socially.

***'The atmosphere in lessons is very positive and supportive. As one student said, "It is cool to want to learn at Roundhay". Students are comfortable admitting that they do not understand a particular point and others often try to help by offering alternative explanations. Students are keen to volunteer ideas and participate.'*** Ofsted

***'Students, from a very wide range of backgrounds, work and socialise together extremely well.'*** Ofsted

## **Our Staff**

We are fortunate to have highly-committed, professional and friendly staff, who have worked hard and successfully to establish a thriving learning community. Many staff have sent, or currently send, their own children to Roundhay, which is a real vote of confidence.

***'Student and staff relationships are extremely good. Students' personal development is exceptional and behaviour is exemplary.'*** Ofsted

***'Teachers have an infectious enthusiasm for their subject which is communicated to the students' ... 'Professional development is a strength of the school' ... 'The quality of teaching is outstanding'.*** Ofsted

We also have other pupils who come from families with parents professionally involved in education, which helps to keep us on our toes! We take seriously the professional development of all our staff. As a school, we are heavily involved in Initial Teacher Training and are a strategic partner within a Teaching School Alliance (Red Kite) which involves sharing outstanding practice across four local authorities. School improvement and self-review are central to our drive to raise standards. We have around 270 staff, both associate and teaching, who work very hard as a team to ensure they support both the pupils and each other.

## **Our Area**

The school's two campuses are situated in north-east Leeds, adjacent to Roundhay Park, and are surrounded by highly sought-after owner-occupied houses. The settings can only be described as impressive. The schools grounds are magnificent; the campuses cover over 30 acres of parkland combined. We also serve some of the most economically and socially-deprived areas of the city, as well as more favoured wards, giving us the rich mix of pupils that makes us a 'true comprehensive'. Currently, around 22% of our pupils are classified as being Pupil Premium children with 15% currently entitled to free school meals.

***'Students who attract Pupil Premium funding are monitored very closely' ... 'making exceptional progress and closing any attainment gap with their peers at a very fast rate'.*** Ofsted

***'Primary provision is outstanding. Pupils make extremely rapid progress, teaching is outstanding, resources are first-rate and leadership is exceptional.'*** Ofsted

## **Our Facilities**

We have very good facilities, and since our Secondary Campus was rebuilt in 2004 we have invested heavily both in ICT and in improving facilities, such as creating Applemac Media rooms, music practise rooms and improved recital areas to enhance the learning and teaching experience of pupils and staff alike. The primary building, which is located on a separate campus, is truly wonderful and has excellent resources.

We have a £11 million 'Pavilion' building which was completed in 2017, along with artificial pitches, additional car parking spaces and a dining room extension.

## **Our School Organisation**

Our separate Primary Campus introduces two forms each year and will house upwards of 480 children. The Primary school day starts at 8.50am and ends at 3.10pm. In Years 7, 8 and 9, pupils are grouped for registration and for Personal, Social, Health and Citizenship Education (PSHCE), in mixed-ability form groups that remain together until the end of Year 11. For teaching purposes, pupils are placed in a variety of groupings as appropriate, including setting and some mixed-ability grouping. Each lesson at the Secondary Campus is one hour in length, five per day. The secondary school day commences at 8.25am and finishes at 3.00pm, followed by extra-curricular activities.

In Years 10 and 11, currently pupils may choose two options to study, normally alongside the compulsory core subjects of Mathematics, English, Science, Foreign Language, RE, PSHCE and Games/PE, a number of which at GCSE level may be started in Year 9. We are, like most schools, undertaking a curriculum review. In Year 12, students choose an individual programme of study leading to BTEC and/or GCE 'A/S' levels.

### **Our Pastoral Organisation and Leadership**

The Primary Campus is led by the Primary Leader who is a member of the Leadership Group. At the Secondary Campus Years 7, 8, 9, 10 and 11 are led by Heads of Year, assisted by teams of tutors and overseen by member of the Leadership Team. Our Assistant Headteacher: Director of Sixth Form and her team are supported by Academic Mentors. There is a strong tradition of support for both pupils and colleagues. Our learning mentors, behaviour support workers and social inclusion achievement teams have had a powerful effect on the positive implementation of our social inclusion strategies.

***'The senior leadership team is very strong and effective'.*** Ofsted

***'The headteacher has the unanimous support of staff in the mission to create an inclusive school where every student is enabled to 'be the best they can be'. He is very accessible to both students and staff.'*** Ofsted

### **Our Extra-Curricular Activities**

We have a thriving and exceptional programme of music, drama, sports teams, outdoor pursuits, residential, art events, project days and charity events! Everyone contributes, as we feel that it is a vital part of our role in developing the potential of all our pupils and building a cohesive community.

### **Our Community Links**

The school has excellent links with the communities it serves and actively seeks to widen these. We believe that this vital 'citizenship work' demonstrates our ethos as a school, where courtesy, co-operation and commitment are more than just words! We deliver a comprehensive programme of family and community learning as part of our Extended Services commitment.

***'High ability students out-perform similar students nationally. Students of all abilities make very good progress in lessons.'*** Ofsted

## **Smoking Policy**

Roundhay School is a no smoking building and site and all staff must adhere to this policy.

## **ICT Policy (Fair Use Guidance)**
