The Trust is led by a CEO who works closely with Headteachers and our schools are supported by a central team to support finance, HR, estates, procurement, IT and governance.

Mission

LT2 Trust and schools have a relentless focus on high achievement, supported by robust organisational structures and governance. We aim to give children and young people in our care the knowledge, skills and experiences to expand their minds and world view to enable them to develop a naturally inquisitive approach to learning and life, fit for an ever-changing world.

Ultimately, we educate and support all children attending LT2 Schools to grow into capable and contributing citizens who have developed the personal attributes and characteristics that will enable them to become considerate, self-reliant and confident young people who are ready for the next stage of their lives.

Values

The Trust Values underpin the mission and provide the basis on which LT2 Trust, School Leaders, all staff and students can articulate the key behavioural characteristics that promote a positive philosophy. Our six values are unseen drivers of our behaviour as experienced by others and are designed to create a shared organisational culture:

- **Kindness** – The quality of friendliness, generosity, and consideration
- **Collaboration** – The belief that working and learning with others will lead to greater success
- **Curiosity** – A strong desire to know and to learn
- **Resilience** – The ability to recover quickly and learn from the difficulties we face

Rugby Free Secondary School

Learning Today Leading Tomorrow (LT2) is a not-for-profit Multi-Academy Trust (MAT) based in Rugby. Its founding schools are two start-up free schools, Rugby Free Primary School and Rugby Free Secondary School.

Learning Today Leading Tomorrow aims to provide local, inclusive education to support children and young people to gain the knowledge, skills and experiences that will enable them to move onto the next stage of their education and life, prepared for an ever-changing world.

Iain Green, Acting Headteacher

We set high expectations for our staff, who in turn encourage our students to be ambitious and have high aspirations.

It is an exciting time to be working as part of the RFSS family and as part of our Trust, Learning Today Leading Tomorrow.

RFSS opened in 2016 and we relocated to our brand-new purpose-built facility in February 2020.

You won't find teachers and staff anywhere else who are as committed to a school's purpose and supporting its success. Relationships are at the heart of RFSS and underpin our new core values.... and we are always looking for dedicated staff who share our ethos and demonstrate our values.

‘Pupils benefit from a school community that includes pupils from a wide range of different backgrounds and cultures. There is a culture in which pupils see these differences as a positive thing. Uniqueness is valued and celebrated. Pupils feel confident ‘to be themselves’ at Rugby Free Secondary School. (Ofsted ‘Good’: July 2021)’

At Rugby Free Secondary School, we aim to foster kindness and pride, whilst maximising our academic and personal potential. We believe that all of our students should be happy and safe, whilst demonstrating the limitless endeavour and resilience required to succeed by striving for excellence. To achieve these goals, our school ethos is underpinned by the foundations of mutual respect, positive relationships and genuine curiosity.

This is encompassed in our educational philosophy of creating more articulate, organised and progressive learners, and the desire to create both independent and collaborative learners who are proud to be educated at Rugby Free Secondary School.

Alongside this, we focus on broadening our students’ core subject knowledge and understanding of the wider world. As a consequence, quality-first Teaching and Learning is at the centre of our school’s ethos, and is the key priority for all staff. Our aim is for teachers to deliver high-quality lessons to all year groups, whilst also being supported to develop through pertinent and purposeful internal and external CPD that is bespoke. Learning is integral to everything we do at RFSS. We ensure that all of our students, regardless of gender, ethnicity or ability, receive the best possible learning experiences, to enable them to achieve and maximise their potential. Here

at RFSS, we continually support students to develop a love of learning to help them become learners for life, in order to equip them with the knowledge and skills that they will need in the real-world. This is also the case with our teaching staff, who continuously develop and update their own pedagogical practices, through Action Research projects and other bespoke professional development sessions.
