

St Bernard's Catholic High School

**Required September 2021
Teacher of Geography
MPS/UPS**

Full time—Permanent

St Bernard's is a successful Catholic comprehensive school and part of the Diocese of Lancaster, serving the community of Furness and on the edge of the Lake District National Park.

We are seeking to appoint a permanent, enthusiastic and highly motivated Teacher of Geography to join our school from September 2021. This post is suitable for either an experienced teacher or a newly qualified teacher.

Geography sits within our newly formed Department of Humanities. Geography continues to be a popular subject at St Bernard's, with over half of the students in Year 11 choosing to study it. Our location lends itself well to the teaching of Geography, and our students benefit from the many field work trips that are available to them from our doorstep.

In return we can offer you:

- A school where "Students describe the school as a loving environment" and "Students behave in a mature and sensible way". "They respect each other and their teachers and enjoy learning".
- A professional, enthusiastic and supportive team of staff with the capacity and commitment to raise student achievement.
- Supportive parents, Governors, Diocese and Local Authority.
- A well-resourced school with good results.

St Bernard's School is committed to safeguarding and promoting the welfare of its students. All applicants are subject to the requirements of the Safeguarding Children and Safer Recruitment in Education guidelines. This will include completion of satisfactory employment vetting checks to include references, pre-employment health clearance, an approved Enhanced Disclosure and Barring Service check and proof of right to work in the UK.

For further information, please download information and application form from our website at www.stbernardsschool.uk. Email enquiries to Maureen McKendry, Business Manager, at mmckendry@stbernardsschool.uk. **Closing date for applications: Noon on Friday 5th March 2021**
