A R&R may be available for the right candidate
September 2022

Do you want to join a successful and forward-thinking department who aims to teach an engaging and challenging curriculum where the number of students choosing GCSE and A Level are increasing year on year? If so, an exciting opportunity has arisen to appoint a dynamic and inspirational teacher of Geography at this "Outstanding" Catholic School (Section 48 Inspection Oct 2017).

If you want to work in a School where everyone is valued and supported to be the best they can be (both students and staff) then this is the school for you. Please click on the following link or copy to your browser to get a flavour of St Wilfrid's <https://youtu.be/I5REzWqgTe0>. As you will see from the link, we have great facilities, great staff and above all, great students!

This is a school that wants to be the very best it can be. Do you want to be part of that? This post would be ideal for an Early Career Teacher (ECT), and for anyone who wants to join a school where there may be future opportunities for progression. We really do value our teachers and actively support their professional development. For ECTs, we offer an in-depth programme of support and training based on the Early Careers Framework. We currently have 7 ECTs in their first year of teaching and have already employed 6 for September; this is a place where ECTs thrive! We really do value our teachers and actively support their professional development. You do not need to be a Catholic to work here, indeed many of our staff are not, but a willingness to embrace the ethos of the school is expected.

The strength of community at St Wilfrid's is a strong one based upon mutual respect. The staff work incredibly hard and are prepared to go the extra mile for the students in their charge. Our students are amazing and they contribute enormously to making the school such a welcoming and productive place. Our most recent Section 48 Diocesan Report (October 2017) and our Ofsted Report (January 2018) certainly reinforce this aspect of school life. All potential applicants are invited and encouraged to arrange a visit – we firmly believe you won't be disappointed!

Application by form downloadable from our website <https://www.stwilfrids.com/ApplicationForms> to include a maximum of 2 pages of supporting statement contained within the form.
