

Stanborough

TEACHER of Geography

Information Pack for Candidates

January 2022

Grow and Succeed

High Expectations | Mutual Respect | Quality Learning | Success for All

Welcome

January 2022

Dear Candidate,

Thank you for your interest in the role of Teacher of Geography at Stanborough School. We are delighted that you see Stanborough as a school where you can make an impact. This position will offer an exciting opportunity for the successful applicant to work with us as we continue to develop our thriving and dynamic school.

It has been a privilege to lead Stanborough School from September 2018. My team share an educational philosophy which promotes the highest expectations and consistent pastoral care. Our core aim is to nurture enquiring minds and to inspire our youngsters to pursue their dreams, leaving our school ready to excel in a future which has limitless possibilities.

Our aim is simple, we want to be a truly outstanding school in every sense of the word and we want to be confident that our students get the best possible education that is ambitious, varied and stimulating. At the heart of everything we do is a desire to ensure that our students receive the highest standards of teaching and learning. Our curriculum is broad and academically challenging in order to prepare students for the rigours of further study or work.

At Stanborough, we care passionately about the development of each student's character, their personality and social skills, the way they treat others and the contribution they make to society. We place strong emphasis on outstanding behaviour. Excellent learning is underpinned by excellent behaviour. We expect our students to show respect when interacting with other members of our school community and to uphold the reputation of the school in the local area.

From September 2019 we became an 8 form entry school. Raising our intake number is a reflection of the success and popularity of Stanborough School in the local area.

If you are passionate about education and really feel you can make a positive difference to the school then we look forward to receiving your application to join us at Stanborough.

Mrs M John
Headteacher

Stanborough School

Stanborough School is an 11-18 co-educational Academy that sits on the southern fringe of Welwyn Garden City. The school currently has 1099 students. Due to parental demand for places at the school, from September 2019 the school expanded to 8 form entry. This has required a substantial amount of new premises work to be completed which includes a new teaching block as well as a drama and music block.

We pride ourselves in being a fully inclusive school that serves our local community and on being a school that does its best for each individual student so they can achieve their potential during their time at Stanborough.

Stanborough is proud of its community involvement. We work closely with the four other local Secondary Schools as part of the Welwyn-Hatfield 16-19 Consortium. We also take a leading role in hosting and developing a number of other key community developments such as the Handside Schools Partnership with a local special school and primary school.

The school boasts excellent facilities including our first-rate IT resources, a legacy of our Specialist Computing Status. With a dedicated Art and Technology block, Sports Hall, Sixth Form Centre and recently constructed new teaching block and Music and Drama block the students enjoy some outstanding facilities. Our excellent resources in all curriculum areas also show our commitment to giving students a wide variety of curricular opportunities including technology, the performing arts and computing.

Our greatest asset at the school is our staff. We want the best educators for our students and through exceptional retention we have a stable staff with very low turn-over. A number of staff who started at the school as NQTs now find themselves in senior positions at the school. We have a strong support team and many staff have remained with the school for several years.

With the appointment of a new Headteacher from September 2018, this is an exciting time to join the school and become part of an ambitious and hard-working team dedicated to moving the school forward. We are looking for support staff and teachers who will embody our four principles of High Expectations; Mutual Respect; Quality Learning and Success for All.

Welwyn Garden City

Welwyn Garden City is a town in Hertfordshire with a population of just under 50,000 people. Welwyn Garden City was the second Garden City to be built, founded in 1920 and it exemplifies the physical, cultural, social and planning ideals of the time it was built.

Location and Transport Links

Welwyn Garden City enjoys superb communication links. Stanborough School sits five minutes from the A1(M) and approximately 10 minutes from the M25. The M1 is only a 30 minute drive away. The train station in Welwyn Garden City is on the main East Coast Line linking Scotland to London and Kings Cross station is a 30 minutes train journey.

Luton Airport is less than 30 minutes away and both Heathrow and Stansted Airports are less than an hour's drive away. The town is also a central hub for local bus services which link it to the rest of Hertfordshire.

Facilities and Amenities

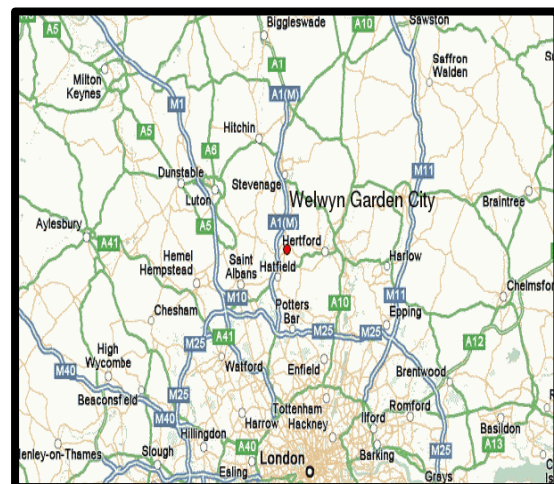

Stanborough School is a two minute walk from the Gosling Sports Park and is only a short car/bus journey to the University of Hertfordshire Sports Village in Hatfield. A range of shops, bars, restaurants and cafes can be found in the Town Centre as well as in the local Galleria shopping centre. St Albans, Hitchin and Hertford are all around 30 minutes away and all offer a range of retail and leisure experiences.

The town also has the QEII Hospital, a theatre, cinema and numerous other cultural and leisure facilities. Stanborough School lies at the southern edge of the town and the school grounds back onto the Stanborough Lakes Country Park.

Housing and Accommodation

A range of accommodation options are available in the local area and there is a thriving rental market. The excellent transport links allow many staff at the school to live in other parts of Hertfordshire as well as North London.

Help and advice can be given by the school if accommodation is required.

Stanborough School Geography Department

The geography department at Stanborough School falls within the Humanities faculty. Teaching takes place across all key stages with students in KS3 benefitting from four lessons a fortnight and students in KS4 benefitting from 5 lessons a fortnight. At KS5 students have 5 hours contact time a fortnight.

The geography department has changed significantly over the last couple of years. The curriculum at KS3 has been modernised to better reflect a wider range of contemporary issues faced by the world today. Students study the KS3 course for three years with the intention of students to developing contextual knowledge of the location of globally significant places – both terrestrial and marine – including their defining physical and human characteristics and how these provide a geographical context for understanding the actions of processes. The department is well resourced, benefitting from shared electronic resources and well planned schemes of works.

The AQA exam specification is followed at KS4. At the end of their KS4 studies pupils sit 3 papers:

- Paper 1: Living with the physical environment
- Paper 2: Challenges of the human environment
- Paper 3: Geographical applications

Teaching of the KS4 topics roughly alternates between physical and human topics.

At KS5 pupils are taught as part of a consortium arrangement and also study the AQA A-level syllabus.

The geography department is relatively new department but has taken significant strides in the past few years to raise its profile at the school. The department has well planned and resourced schemes of work and is fortunate enough to be based in a new building which is spacious and well equipped with the latest technology to enhance student learning. Staff are encouraged to be innovative and make use of existing resources, although they are encouraged to be creative and bring their own ideas to the table. New schemes of work are planned collaboratively and regularly reviewed in order to improve. In 2020 we also purchased a set of the illustrated 'Prisoners of Geography' children's books and have designed several parts of the curriculum around it

You will be supported by the wider humanities department who are friendly and supportive, and benefit from a department that is always willing to listen to and try out new ideas.

What can we offer you at Stanborough?

- The chance to work in a thriving, developing and expanding school that puts the student at the heart of everything it does.
- The chance to work with amazing staff who are passionate about developing the young people in their care.
- A well-developed and personally tailored staff development offer that meets the needs of individual staff members.
- An expanding school with great facilities including a new teaching block with 17 classrooms as well as a new Music and Drama block.
- An opportunity to be involved in the 16 – 19 Welwyn Hatfield Consortium, one of the oldest and well-established of its kind in the UK. This involves close links and collaboration with four local schools.
- Great resources for staff, including free parking on site, good rail and road links to the school and an attractive edge of town location next to Stanborough Lakes and Gosling Sports Park.
