Age range: 11 – 18

NOR: 987

Teacher of Geography (MPS: One and a half terms fixed term contract – Full Time)

Required from 23rd February 2026 to 31st August 2026.

Owing to changes in staffing, the Bewdley School is seeking an exceptional teacher to join the school later this academic year, to teach Geography. This fixed term contract is an excellent opportunity for a newly qualified teacher to gain their first early career experience, and full ECT support will be given. This will include the opportunity to teach other humanities subjects at KS3, to broaden experience and employability. It must be emphasized that this temporary role has been designed with a new entrant to the profession in mind.

The Bewdley School, serving the Georgian town of Bewdley and on the banks of the River Severn, is a fully inclusive and comprehensive school. Students are hungry to learn, their behaviour for learning being described in a Local Authority review as 'stunning'. If you would like to work with skilled colleagues in a supportive environment, where you are free to communicate your passion for your subject, please visit us.

We seek a colleague who has:

- Exceptional energy and enthusiasm
- A real depth of understanding of, and love for, their subject
- A sophisticated grasp of how children learn
- The optimism to imagine a better future

In return we offer:

- Students who are genuinely curious
- A welcoming, friendly and supportive culture
- Opportunities for personal development
- A commitment to rational and balanced leadership

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful candidate will undertake an Enhanced Disclosure via the DBS, where appropriate.

Closing date for applications: Open until filled

Further information and an application form are available on the school website.
