Teacher of Geography

Dear Applicant

Thank you for showing an interest in the post of Teacher of Geography at our school. I am pleased to be able to send you further details as requested.

This is an important appointment for the school. The faculty is consistently a high achieving one; forward thinking and hardworking. The team of staff employed within Humanities are a strong unit, very supportive of each other and welcoming of new staff. At KS3 members of the Curriculum Area can teach across the range of subjects we offer which are: History, Geography and Ethics and Philosophy (EP). As a result, lessons are structured to enable non-specialists to feel confident with students being encouraged to learn through enquiry based lessons. The faculty has a history of real success, and is looking to continue excellence with this permanent appointment.

The successful candidate will:

- Be able to teach Geography at KS3, KS4 and, ideally KS5
- Preferably, have some experience of teaching one other Humanities subject –History/ Ethics and Philosophy (RE)
- Contribute to the Faculty and the school.
- Engage with school systems and their own CPD.
-

In order to provide more details about the post available, I am enclosing the following information with this letter:-

- Further details about Tupton Hall School;
- Details of the organisation of the Humanities faculty and its work in the school;

We are searching for an enthusiastic, creative and well-organised Geography teacher with the ability to enthuse and excite our students about all aspects of the subject and of the other Humanities subjects.

The appointed person will be joining us at an exciting time in the school's history. We are part of the Redhill Multi Academy Trust. Being part of the MAT will enable the appointed person to access a wide range of subject and pedagogical networks to support their subject knowledge and career development. NQT's and more experienced colleagues are welcome to apply and will be fully supported with both curriculum and pastoral matters.

A comprehensive programme of support will be provided for all NQTs as part of both the MAT and school based CPD offer.

Candidates invited for interview will be contacted by telephone and/or email by Monday 16th May 2022.

If you wish to apply for this post, please submit a completed application form and a response of no more than 2 sides of A4 to how you meet the requirements of the job description and person specification.
