## Role

### The Post

We would like to appoint an enthusiastic and talented teacher of Girls PE for September 2023, who is able to teach Girls PE across all key stages. The ability to teach Girls Rugby and Girls Football is essential as is the ability to offer a second subject in addition to PE. This post would suit a highly motivated Early Career Teacher with a range of Physical Education talents, who can stimulate our students. As a department we are dedicated to the development of inspirational lessons and are always searching for new and innovative ways to motivate students to achieve their full potential. We would welcome a candidate who is keen to share new ideas, approaches and resources.

This is an excellent opportunity for an enthusiastic teacher of Girls PE to join a dedicated and highly successful department in a thriving school which was rated 'good' by Ofsted in May 2019 with the Sixth Form graded as 'outstanding'. As a school we are committed to comprehensive education and 'Learning for Life' is at the heart of all we do.

### Our Curriculum

All year groups participate in PE and games throughout their time in our main school. In addition, students are able to choose to take either GCSE PE or the Cambridge National Sports Studies course from the start of Year 9. In our Sixth Form we offer the Cambridge Technical level 3 extended certificate in Sports and Physical Activity. At GCSE PE has resulted in 94% of students receiving grade 9-4. Our Cambridge National pathway allows students to maximise their potential in a vocational setting with 70% of students achieving a level 2 qualification. Our Level 3 Cambridge Technical is a popular course which prepares students effectively for the sports industry with 100% of students achieving a distinction/distinction\*

### Extra-curricular

Extra-curricular PE is a particular strength of our department and students across all key stages are involved in both recreational and competitive activities. Students compete at district and county level across a wide range of sports with notable successes in both team games and individual activities. Many students go on to representative honours at both New Forest and Hampshire level.

### Our Facilities

There is currently a Sports hall/gymnasium where our indoor lessons are held. We then have extensive outdoor facilities which includes: one Rugby pitch, three football pitches, a 400m grass track, four Netball courts, Tennis courts and an all-weather pitch. We have a designated PE theory classroom. There are also several IT equipped rooms in our main school and in the Sixth Form which can be booked for class teaching. The school's main systems are SIMS, MintClass, Office 365 all of which are integrated and, with the exception of SIMS, hosted in the cloud. All teaching staff are given their own laptop to support their role.

### Early Career Teacher support

We have a proud tradition of providing superb support and career progression for teachers at the beginning of their career. We are part of HISP programme who are using the

Learning For Life

Educational Development Trust programme to provide both face to face and on-line training to support you through the Early Career Framework (ECF). In school you will be given a mentor with whom you will have timetabled weekly meetings with as well as additional time for planning and working through the ECF. Furthermore, you will be given a tutor to oversee your progress and support you through the whole process. In addition, you will be part of our thorough induction programme that we run for all new staff members to orientate them through the first half term.
