## Chancellor's School

Dear Applicant,

Thank you for your interest in Chancellor's School.

You would be joining at an exciting time in the school's development and growth. Chancellor's is an inclusive school with exceptional academic results. We remain determined to strengthen our teaching and learning culture, and to make further improvements in the future.

We continue to be significantly oversubscribed with increasing numbers in our sixth form. Students make extremely good progress during their time at the school, and there are an impressive number of students who achieve the very top grades.

We are focused on achieving the very best for every member of the school community and we expect standards to rise further in the future. We joined the Danes Educational Trust in 2019 and this has helped create further exciting and varied opportunities for both staff and students.

We were also inspected by Ofsted (September 2018) and, whilst we remain rated as 'Good', there was a clear acknowledgement of the impact of the school's work of late and the progress we have made since the previous Ofsted. I am pleased that, as part of the Danes Educational Trust, we have taken further strides forward.

It is a privilege to be the Headteacher of Chancellor's School. It is a positive and rewarding place to work with a strong sense of community. Teachers are respected and valued not only by the Senior Leadership Team, but by students, parents and governors. Visitors often remark at how delightful our students are. Not only are they keen to learn, they are friendly, ambitious, proud of their school and eager to take on responsibility.

The highly professional staff is dedicated and focused on the core business of the school, teaching and learning. The governors and I are committed to the well-being and continuing professional development of all members of staff.

You can visit our website on [www.chancellors.herts.sch.uk](http://www.chancellors.herts.sch.uk) for further information about the school including the school prospectus. If you would like to organise a visit to the school or if you would like to discuss any position in more detail then please contact Emma Wright, HR Business Partner at [recruitment@daneseedtrust.org.uk](mailto:recruitment@daneseedtrust.org.uk).

If appointed, you will benefit from working within an established, outstanding Trust. More information about the Trust can be found [here](#).

Chancellor's is a school which is part of the Danes Educational Trust with approximately 1250 students, aged 11–18. It is situated in the beautiful village of Brookmans Park in South Hertfordshire. The school opened in September 1964. The impressive and picturesque grounds are some 15 acres in extent including substantial sports grounds.

We have been a specialist mathematics and computing college since September 2004 and have held a second specialism in languages since April 2008.

Many of our students come to the school from local villages as well as from Potters Bar and Hatfield. Additionally, 10% of students are admitted to the school on their musical aptitude.

Our curriculum is broad in Years 7 and 8. In Years 9, 10 and 11 students study a broad core of subjects including PSHE (Healthy Minds), English, Mathematics, Physical Education, Religious Education, Science and ICT. In addition, students are able to express a limited preference for further subjects to support their individual interests and aspirations. 75% of our students typically study the English Baccalaureate and a large percentage of our students stay on to study in our sixth form.

We are also committed to offering our students a wide range of extra-curricular opportunities. Music and drama flourish at Chancellor's with many concerts and performances. There are clubs for students of all ages, and regular visits are arranged to plays, exhibitions and museums.
