Full Time Teacher of Girls Physical Education

What we are looking for:

- Alignment with our values and ethos. We believe in working together with families and the local community to create an educational culture of life-long learning based on academic excellence and independent thought
- Someone who will foster a safe and respectful learning environment for all students
- A teacher with a passion for their subject who will deliver excellent teaching and learning
- Someone with a passion for CPD who will fully engage with our ongoing Professional Growth programme

What we can offer you:

- A culture of hard work and a genuine desire to achieve embedded in both staff and students
- A whole school commitment to producing the very best teaching & learning
- A constantly evolving bespoke programme of CPD/Professional Growth
- A school-wide open door policy, meaning all staff have the opportunity to observe lessons across the entire curriculum
- A highly visible and forward-thinking Leadership Team who support staff, lead innovation, and never compromise on expectations
- A leading Virtual Learning Environment which streamlines administrative tasks including marking, setting homework and data entry
- A centralised approach to assessment & resourcing, giving more time to embed teaching & learning strategies and focus on Professional Growth
- A robust behaviour for learning environment which enables teachers to teach and students to learn
- An opportunity to develop the personal values and habits of your own tutor group, guided by a highly trained, experienced and dedicated pastoral team
- A community of supportive families who help to ensure students leave our school confident, articulate, and culturally aware.

We would welcome applications from both experienced and newly qualified teachers. We are looking for an individual with a commitment to engaging our students' learning through excellent teaching and a passion for their subject.

As employers, we are committed to safeguarding and promoting the welfare of children and in that regard have appropriate policies and procedures. All staff undertake a criminal record check via the Disclosure and Barring Service (DBS) and interviews will include questions about safeguarding children.

THE WEST BRIDGFORD SCHOOL PHYSICAL EDUCATION DEPARTMENT

The Physical Education Department consists of 9 specialist teachers with a full time school sports coordinator and a P.E. technician. A Head of Department, a Deputy and an Assistant Head of Department provide leadership within the subject. The department enjoys extensive facilities including; a swimming pool, state of the art fitness suite, dance studio, astroturf, gym, sports hall and vast outdoor space. We also have two class suites of iPads, which are regularly used by teachers to support learning within both the practical and theoretical areas of Physical Education.

Teachers in the P.E. department work together in a collaborative way, with a focus on CPD at all times, based around Rosenshine's Principles of Instruction. Centralised planning and resourcing gives more time to embed Teaching & Learning strategies and focus on Professional Growth. This reflects the whole school commitment to producing the very best in Teaching & Learning at all times. Our aim is to make P.E. as accessible and enjoyable as possible for all our students with a variety of teaching methods to accommodate different learning needs.

All Students in Key Stage 3 and 4 receive four Core P.E. lessons across a fortnight. Students are placed into sets early in Year 7, based on their general P.E. ability. Movement between groups is fluid, based on teacher judgment and performance in Key Assessments. Our Key Stage 3 Scheme of Learning focuses on the mastery of fundamental skills, concepts, tactics and strategies, which is extended into the increasing complex demands of Key Stage 4, where detailed Schemes of Learning are provided for all Units. We are fortunate to provide additional staffing for GCSE P.E. which is used for targeted Interventions with either small groups or individual students. P.E. is also a popular A Level subject, regularly attracting groups of 20+ students. Examination groups in all years follow the OCR specification.

The West Bridgford School has a long record of success in numerous sports in local, regional and national competitions, which is a product of our extensive and wide-ranging extra-curricular programme. In the last few years, other accolades awarded have included;

- Achieved the Prestigious Sainsbury's School Mark Platinum Award this year.
- Nottinghamshire Sporting School of the year.

In addition to this, the department boasts a thriving CPD programme with ample professional development opportunities that support both newly qualified and experienced teachers. Furthermore, we continue to maintain strong links with primary feeder schools through the department's full-time school sports co-ordinator, who continues to promote intra-school competition and encourages student voice through our sports council.

We are a forward thinking department where the use of technology is embedded in everyday teaching. Please follow the link below or scan the QR code to access our department promotional video, which will give you more of an insight into what we offer here at the West Bridgford School P.E. Department.
